BUSINESS (BUS)

BUS 101S. Introduction to Business Software. (1.5 h)
Provides students with basic skills in business software. Focuses on software for presentations, spreadsheets, and databases. In addition, students are familiarized with databases provided through the library and through the Internet that facilitate their ability to do research. This course does not count towards a School of Business degree. Summer only.

BUS 111. Professional Life Skills. (1.5 h)
Provides students with the basics of managing their personal finances and employee benefits. Focuses on topics such as: personal banking and budgeting fundamentals; individual credit and tax issues; employee investment and insurance options; and home rental or purchase considerations. Open to School of Business and non-School of Business students. Does not count towards a School of Business degree. Pass/Fail only.

BUS 181. Field Study. (1 h)
Directed field study in specialized areas of business. Does not count towards a School of Business degree. Pass/Fail only. Limit of 2. P-ACC 111, POI.

BUS 281. Individualized Reading and Research. (1-3 h)
Directed study in specialized areas of business. P-POI.

BUS 295. Summer Management Program. (8 h)
A study of the various functions of business including accounting, finance, information systems, management, marketing, production, and strategic planning. Special application and admission procedures. Does not count towards a Calloway Major. Pass/Fail only. Offered only in the summer and open only to junior and senior liberal arts majors.

BUS 296. Silicon Valley Practicum. (3 h)
The practicum, which includes on-the job and academic components, is a supervised learning experience that applies the foundational business skills learned in the Summer Management Program. Required residency in Northern California. Special application and admissions procedures. Applicants must successfully complete BUS 295 Summer Management Program. Does not count toward a business major.

BUS 297. SportsCOM. (6 h)
Study of the concepts, operations, and management principles associated with the sports industry. Students are introduced to such areas as the foundation of sports management, sociology of sports, sports marketing, psychology of coaching, sports economics and finance, ethics in management of sports organizations, legal issues in sports management, athletics administration, facilities management, and the strategic management of sports organizations. Students may not receive credit for both BUS295 and BUS297. Pass/Fail only. Offered only in the summer with preference given to first-year students.

BUS 350. General International Elective. (1-3 h)
