

ENGINEERING, MINOR

Requirements

Requires at least 16 hours in engineering as well as PHY 113 and MST 111. EGR 111 and EGR 112 are required. The remaining eight hours of EGR credit must be at the 200-level or higher. A minimum overall GPA of 2.0 must be earned on all Wake Forest Engineering courses taken to complete the minor. The requirements for the minor are those that are in effect at the time of the declaration of the minor, as the curriculum and the departmental requirements may change slightly during the student's period of residence. Students interested in the minor should contact an Engineering Faculty or Engineering Academic Advisor.
