

INTERDISCIPLINARY STUDIES, B.S.

Requirements

The **Interdisciplinary Major** consists of courses offered by two or more departments, for a minimum of 42 hours, and must include IND 399. A second major may not be declared. A minor may be declared; however, courses used in the interdisciplinary major may not also meet requirements in the minor.

Proposals should be submitted to the Coordinator only after students have completed 40 hours at Wake Forest, though planning can and should begin sooner. Guidelines for submitting proposals can be found on the Interdisciplinary Major website (<http://college.wfu.edu/academics/opportunities/design-your-own-major>). Proposals are reviewed by the Open Curriculum Committee, which reserves the right to accept or reject them.
