Charges are due in full on August 1st for the fall semester, December 1st for the spring semester, and June 1st for both summer sessions. Students with accounts that are not paid in full by these deadlines may experience certain consequences, including, but not limited to, not being eligible to receive a diploma or register for classes. Institutional fellowships, scholarships, and grants generally appear as credits on student accounts.

## Refund of Charges Policy and Return of Financial Aid Policy

A student who officially withdraws or is granted continuous enrollment status during a semester may be entitled to a refund of tuition depending on the student's date of withdrawal, and/or date of continuous enrollment status.

Tuition refunds are based on the date of official withdrawal or the effective date of continuous enrollment status. Please refer to the official "Schedule of Refunds for Withdrawal or Continuous Enrollment" for the respective semester of enrollment. Refunds will be reduced by the amount of any outstanding charges on a student's account. If refunded charges leave a credit balance on the student account, the student is responsible for completing an online student refund request at (<http://finance.wfu.edu/sfs/student-refund/>) or the credit balance will remain on the student account and will be applied for future semesters. If the credit is a direct result of Title IV aid, the credit is automatically refunded to the student.

Return of Title IV funds are handled in accordance with federal law. Students should consult the Office of Financial Aid for more information.

Vehicle registration fees will not be refunded unless the issued permit is returned to Transportation and Parking Services before the first day of class. Students graduating or studying abroad for spring semester may receive a prorated refund of the vehicle registration fee by returning the issued permits to the Transportation and Parking Services office.

Tuition, fees, dining and all other charges will not be refunded when a student is suspended or expelled from the University as a result of a conduct or honor code violation. Return of Title IV funds are handled in accordance with federal law.

\*Refunds will be reduced by the amount of any outstanding charges on a student's account.

## Pursuant to The Veterans Benefits and Transition Act of 2018

GI Bill® and VR&E beneficiaries (Chapter 33 and Chapter 31 beneficiaries) may attend a course of education or training for up to 90 days from the date the beneficiary provides to the VA Certifying Official ONE of the following:

- A Certificate of Eligibility, or a Statement of Benefits obtained from the VA's eBenefits web site
- VR&E (Chapter 31) authorization, delivered via the Tungsten Network system

- Notification of intent to use benefits, pending confirmation of eligibility via the VA's Enrollment Manager system.

The student beneficiary must provide proof no later than the first day of a course of education. The student must provide any additional payment amount due that is the difference between the amount of the student's financial obligation and the anticipated amount of the VA education disbursement to Wake Forest University.

This policy allows a student to attend the course until the VA provides payment to Wake Forest University. Wake Forest University will not impose a penalty, or require the beneficiary to borrow additional funds to cover tuition and fees due to late payments from the VA.

## University Disruption Refund Policy

Circumstances may arise during a semester that cause significant disruptions to University operations and result in the University closing the campus. These circumstances include, without limitation, extreme weather, fire, natural disaster, war, labor disturbances, loss of utilities, riots or civil commotions, epidemic, pandemic, public health crisis, power of government, or any other circumstance like or unlike any circumstance mentioned above, which is beyond the reasonable control or authority of the University.

In the event of a significant disruption to University operations either:

- During a semester that results in the University closing campus for the remainder of the semester;
- At the beginning of a semester that delays or prevents the University opening campus; or
- During a semester that results in the University closing campus temporarily during the semester

The University will issue refunds for housing and dining charges and wellness and parking fees to students where applicable and according to the refund schedule below. There will be no refunds for tuition or Deacon Health, Student Activity, or any other fees paid by or on behalf of students. Refunds (if applicable) will be calculated at the end of the semester.

This policy applies to significant disruptions where the University closes campus. It does not apply where students officially withdraw from the University or are officially granted continuous enrollment status during a semester. Refunds, if any, in those circumstances are governed by the University's Refund of Charges Policy.
