

# SUSTAINABILITY, CERTIFICATE

---

## Overview

Students are provided with exposure to sustainability issues in the natural sciences, social sciences, humanities, business management, law, and policy. Students will utilize our program as a mechanism for adding value to their professional endeavors while simultaneously satisfying the urgent societal need for highly knowledgeable leaders in the field of sustainability. The certificate can be obtained on a stand-alone basis or in conjunction with another graduate program. Students in the certificate program may transition to the Master of Arts degree. An application must be submitted, and admission approved.

## Course Requirements

Students will complete the following for a total of 12 credit hours to earn the certificate.

| Code               | Title                              | Hours     |
|--------------------|------------------------------------|-----------|
| SUS 701            | Global Human Systems               | 3         |
