The 2024-2025 Bulletin provides course descriptions and curricular requirements effective Fall 2024 as well as current information and policies for undergraduates in Wake Forest College and the School of Business and for graduate students in the Graduate School of Arts and Sciences, School of Divinity, and School of Professional Studies.

THE UNIVERSITY

Wake Forest University is characterized by its commitment to the liberal arts and professional education, its strong sense of community and engagement in society, and its encouragement of advancing the spirit of *Pro Humanitate*. Translated as "for humanity," *Pro Humanitate* calls upon the entire University community to engage in the fundamental questions about what it means to be human.

As an institution which respects free inquiry and expression, the University is known for upholding the teacher-scholar ideal; expecting exceptional teaching and outstanding research, scholarship and creativity; and promoting faculty interaction with students both in and out of the classroom that nurtures their intellectual and personal development.

Wake Forest University also welcomes the challenges of cultural diversity and pluralism in all their forms and is committed to addressing these challenges through the cultivation of diverse learning communities that reflect the world in which students and faculty live, work and lead.

Background

In 1834, Wake Forest Manual Labor Institute was founded by the Baptist State Convention of North Carolina. Re-chartered in 1838 as Wake Forest College, Wake Forest is one of the oldest institutions of higher learning in the state. The School of Law was established in 1894 and was followed by a two-year medical school in 1902. Wake Forest was a college for men until World War II, when women were admitted for the first time. In 1941, the medical school moved to Winston-Salem to become affiliated with North Carolina Baptist Hospital and was renamed the Bowman Gray School of Medicine.

In 1946, the trustees of Wake Forest and the Baptist State Convention of North Carolina accepted a proposal by the Z. Smith Reynolds Foundation to relocate the College to Winston-Salem, 100 miles to the west. Charles and Mary Reynolds Babcock donated much of the R.J. Reynolds family estate as the site for the campus, and building funds were received from many sources. From 1952 to 1956, the first 14 buildings were constructed in Georgian style on the new campus. The move to Winston-Salem took place in the summer of 1956; the original, or "old" campus, is now home to Southeastern Baptist Theological Seminary.

Following the move, Wake Forest grew considerably in enrollment, programs, and stature and became a university in 1967.

The Charles H. Babcock School of Business Administration, first established in 1948, admitted its first graduate students in 1971. In 1972, the school enrolled only graduate students and the name was changed to the Charles H. Babcock Graduate School of Management; departments of business and accountancy and economics were established in the College. In 1980, the Department of Business and Accountancy was reconstituted as the Wayne Calloway School of Business and Accountancy. In 2009, the Wayne Calloway School of Business and Accountancy and the Charles H. Babcock Graduate School of Management officially merged under the name Wake Forest University Schools of Business, and in 2013, the name was changed to the Wake Forest University School of Business.

The Division of Graduate Studies, established in 1961, is now organized as the Graduate School and encompasses advanced work in the arts

and sciences on the Reynolda Campus, the Brookstown campus and the Wake Downtown campus.

In 1997, the medical school was renamed the Wake Forest University School of Medicine. The University in 2001 created a subsidiary entity, Wake Forest University Health Sciences, which operates the Medical School and is governed by a board of directors that includes in its membership University trustees and the Wake Forest University president. In 2016, the School of Medicine moved its medical education programs to Innovation Quarter in downtown Winston-Salem. In 2020, a health system integration arrangement was entered into with Charlotte-based Atrium Health, Inc. and plans were announced to add a second Medical School campus in Charlotte, which will welcome its first students in 2025. In 2022, Advocate Aurora Health, located in Chicago, Illinois and Milwaukee, Wisconsin, and Atrium Health announced their formal combination creating Advocate Health, which focuses on best meeting patients' needs by redefining how, when and where care is delivered. The Wake Forest School of Medicine is the academic core of this combined healthcare system.

The School of Divinity was established in 1999 and is located on the Reynolda Campus, and the School of Professional Studies was started in 2021 in Charlotte.

Governance

University governance is by an independent Board of Trustees; there are advisory boards of visitors for Wake Forest College, each professional school and Z. Smith Reynolds Library.

Campuses

The College, the School of Business, the School of Law, the Graduate School and the School of Divinity are located on the Reynolda Campus in northwest Winston-Salem. The Wake Forest School of Medicine is located in Innovation Quarter, four miles from the Reynolda Campus, in downtown Winston-Salem. The Brookstown Campus, also located in downtown Winston-Salem, houses select Graduate School programs. The Wake Forest University Charlotte Center is home to select graduate business programs and the newly-formed School of Professional Studies, established in 2021. The University also offers instruction regularly at Casa Artom in Venice, at Worrell House in London, at Flow House in Vienna, in Wake Washington on Dupont Circle in Washington, D.C., and in several other places around the world.

Academic Offerings

The College offers courses in more than 40 fields of study leading to the baccalaureate degree.

The School of Divinity offers the master of divinity degree and joint degree programs in law, education, counseling and sustainability in conjunction with other divisions of the University.

The Wake Forest School of Business offers a four-year bachelor of science degree, with majors in accountancy, business and enterprise management, finance, and mathematical business (offered jointly with the Department of Mathematics); and four graduate degree programs: master of science in accountancy (MSA), master of arts in management (MA), master of business administration (MBA), and master of science in business analytics (MSBA).

The School of Law offers the juris doctor, doctor of juridical science degree (SJD), master of studies in law degree (MSL), and master of laws

in American law degrees. The school also offers joint JD programs with the School of Business, the School of Divinity and the Graduate School.

In addition to the doctor of medicine degree, the Wake Forest School of Medicine offers, through the Graduate School, programs leading to the master of science and doctor of philosophy degrees in biomedical sciences. The School of Medicine and the School of Business offer a joint MD/MBA program.

The Graduate School confers the master of arts, master of arts in education, master of arts in liberal studies, and master of science degrees in the arts and sciences and the doctor of philosophy degree in biology, chemistry and physics. The Graduate School also offers an MFA in documentary film and dual degree programs with the School of Medicine and the School of Business. Additionally, the school also offers joint degree programs with the School of Law and the School of Divinity.

As the newest school at Wake Forest, the School of Professional Studies provides graduate degree and non-degree programs, including certificates and other credentials, focused on supporting today's working professionals with the skills and knowledge to take their careers to the next level. It also offers custom educational programs to corporate partners to support talent development needs.

Equity in Athletics

The Higher Education Act requires that institutions of higher education make available by October 15 of each year a copy of the Equity in Athletics Disclosure Act annual report to any student who requests one. Please contact the Athletic Department to request a copy of this document.

University Mission and Purpose Statement of Mission and Purpose

Wake Forest is a university dedicated to the pursuit of excellence in the liberal arts and in graduate and professional education. Its distinctiveness in its pursuit of its mission derives from its private, coeducational, and residential character; its size and location; and its Baptist heritage. Each of these factors constitutes a significant aspect of the unique character of the institution.

The University is now comprised of seven constituent parts: Wake Forest College, the Graduate School of Arts and Sciences, the School of Law, the School of Medicine, the School of Business, the School of Divinity, and the School of Professional Studies. It seeks to honor the ideals of liberal learning, which entail commitment to transmission of cultural heritages; teaching the modes of learning in the basic disciplines of human knowledge; developing critical appreciation of moral, aesthetic and religious values; advancing the frontiers of knowledge through in-depth study and research; and applying and utilizing knowledge in the service of humanity.

Wake Forest has been dedicated to the liberal arts for over a century and a half; this means education in the fundamental fields of human knowledge and achievement, as distinguished from education that is technical or narrowly vocational. It seeks to encourage habits of mind that ask "why," that evaluate evidence, that are open to new ideas, that attempt to understand and appreciate the perspectives of others, that accept complexity and grapple with it, that admit error, and that pursue truth. Wake Forest College has by far the largest student body in the University, and its function is central to the University's larger life. The College and the Graduate School are most singularly focused on learning

for its own sake; they therefore serve as exemplars of specific academic values in the life of the University.

Beginning as early as 1894, Wake Forest accepted an obligation to provide professional training in a number of fields, as a complement to its primary mission of liberal arts education. This responsibility is fulfilled in the conviction that the humane values embodied in the liberal arts are also centrally relevant to the professions. Professional education at Wake Forest is characterized by a commitment to ethical and other professional ideals that transcend technical skills. Like the Graduate School, the professional schools are dedicated to the advancement of learning in their fields. In addition, they are specifically committed to the application of knowledge to solving concrete problems of human beings. They are strengthened by values and goals which they share with the College and Graduate School, and the professional schools enhance the work of these schools and the University as a whole by serving as models of service to humanity.

Wake Forest was founded by private initiative, and ultimate decision-making authority lies in a privately appointed Board of Trustees rather than in a public body. Funded to a large extent from private sources of support, it is determined to chart its own course in the pursuit of its goals. As a co-educational institution it seeks to "educate together" persons of both sexes and from a wide range of backgrounds—racial, ethnic, religious, geographical, socio-economic and cultural. Its residential features are conducive to learning and to the pursuit of a wide range of co-curricular activities. It has made a conscious choice to remain small in overall size; it takes pride in being able to function as a community rather than a conglomerate. Its location in the Piedmont area of North Carolina engenders an ethos that is distinctively Southern, and more specifically North Carolinian. As it seeks further to broaden its constituency and to receive national recognition, it is also finding ways to maintain the ethos associated with its regional roots.

Wake Forest is proud of its Baptist and Christian heritage. For more than a century and a half, it has provided the University an indispensable basis for its mission and purpose, enabling Wake Forest to educate thousands of ministers and lay people for enlightened leadership in their churches and communities. Far from being exclusive and parochial, this religious tradition gives the University roots that ensure its lasting identity and branches that provide a supportive environment for a wide variety of faiths. The Baptist insistence on both the separation of church and state and local autonomy has helped to protect the University from interference and domination by outside interests, whether these be commercial, governmental, or ecclesiastical. The Baptist stress upon an uncoerced conscience in matters of religious belief has been translated into a concern for academic freedom. The Baptist emphasis upon revealed truth enables a strong religious critique of human reason, even as the claims of revelation are put under the scrutiny of reason. The character of intellectual life at Wake Forest encourages open and frank dialogue and provides assurance that the University will be ecumenical and not provincial in scope, and that it must encompass perspectives other than the Christian. Wake Forest thus seeks to maintain and invigorate what is noblest in its religious heritage.

History and Development

Since 1834, Wake Forest has been an institution dedicated to providing a quality education to young people interested in using their knowledge and talents to better the world around them. Characterized by exceptional teaching, outstanding research and scholarship, and meaningful connection with one another, a Wake Forest education is designed to help

develop leaders of character intent on working and living in the spirit of Pro Humanitate (for humanity).

The brief history of Wake Forest is useful in understanding the University as it is today and appreciating the process through which it developed. Buildings and Grounds

The *Reynolda Campus* of Wake Forest, which opened in the summer of 1956 upon the institution's move from its original home near Raleigh, is situated on approximately 340 acres. Its physical facilities consist of more than 80 buildings, most of which are of modified Georgian architecture and constructed of Old Virginia brick trimmed in granite and limestone.

The main Quadrangle, *Hearn Plaza*, is named for Wake Forest's 12th president, Thomas K. Hearn Jr., who served from 1983 to 2005. *Manchester Plaza*, named for benefactors and Wake Forest parents Doug Manchester (P '03, P '06) and Elizabeth Manchester (P '03, P '06), is located on south campus. The *Reynolda Gardens complex*, consisting of about 128 acres and including *Reynolda Woods*, *Reynolda Village*, *Reynolda Gardens*, and *Reynolda House and Museum of American Art*, is adjacent to the campus. The *Graylyn International Conference Center* is nearby.

Wait Chapel, named in memory of Samuel Wait, the first president of the College, seats 2,227. The *Wait Chapel* tower contains the Janet Jeffrey Carlile Harris Carillon, an instrument of 48 bells.

Divinity and Religious Studies Building houses the Department for the Study of Religions and the School of Divinity.

Reynolda Hall, across the upper plaza from Wait Chapel, houses most of the administration, including offices of the President, the Provost, the Dean of the College, the Center for Global Programs and Studies, the Office of Personal and Career Development, and the University Chaplain. It is also home of a large dining facility for the Reynolda Campus.

Benson University Center, named for the father of benefactor Clifton Linwood Benson Jr. ('64), houses the Student Union and is the central hub for student activities, services, and events. The bottom floor of Benson is the home to Pugh Auditorium movie theater and several food venues, and the LGBTQ Center is located on the second floor.

Z. Smith Reynolds Library and its *Edwin Graves Wilson Wing*, named in honor of the Class of 1943 graduate who became a distinguished English professor and administrator at his alma mater, house the main collection of books and documents on the Reynolda Campus. Along with eight floors of open stacks, it has reading and reference rooms for study.

Carswell Hall, named in honor of alumnus and benefactor Guy T. Carswell (1922, LLD '62), houses the Department of Communication and the Annenberg Forum, a large multimedia lecture space.

Winston Hall houses the Department of Biology and *Salem Hall* is home to the Department of Chemistry. Both buildings have laboratories as well as classrooms and special research facilities. The *Olin Physical Laboratory* houses the Department of Physics.

Harold W. Tribble Hall, named for Wake Forest's 10th president, accommodates primarily humanities departments. It has seminar rooms, a philosophy library, and a multimedia lecture space, DeTamble Auditorium.

The Timothy S.Y. Lam Museum of Anthropology, named for alumnus, parent, and benefactor Timothy See Yiu Lam ('60, P '93, P '98) houses North Carolina's only museum dedicated to the study of world cultures.

Calloway Center for Mathematics and Computer Science was named in honor of former University Trustee Wayne Calloway ('59, LLD '88, P '95). The building houses the Departments of Mathematics, Statistical Sciences, and Computer Science in Manchester Hall and the Departments of Politics and International Affairs, Economics, and Sociology in Kirby Hall.

Farrell Hall, named for Wake Forest parents and benefactors Michael (LLD '13, P '10) and Mary (P '10) Farrell, broke ground in April 2011 and is home to the School of Business. It hosted its first classes in July 2013 and was formally dedicated in November 2013.

William B. Greene Jr. Hall, named for alumnus and benefactor Bill Greene ('59), houses the Departments of Psychology, German and Russian, French Studies, and Spanish.

James R. Scales Fine Arts Center, named for James Ralph Scales, Wake Forest's 11th president, supports the functions of studio art, theatre, musical and dance performances, and instruction in art history, drama and music. Off its main lobby is the *Charlotte and Philip Hanes Gallery*, a facility for special exhibitions. The art wing includes spacious studios for drawing, painting, sculpture, and printmaking, along with a smaller gallery and classrooms. Adjacent to the art wing is a dance studio for performances and rehearsals. The theatre wing has design and production areas and two technically complete theatres, the larger of traditional design and the smaller for ring productions. The music wing contains classrooms, practice rooms for individuals and groups, the

offices of the Department of Music and Brendle Recital Hall for concerts and lectures.

Worrell Professional Center, named for alumnus and benefactor T. Eugene Worrell ('40, LHD '79), houses the School of Law. Recent additions to Worrell in 2016 provided a new home for instruction in the Department of Health and Exercise Science.

The *ROTC Building* is home to the Wake Forest Reserve Officers Training Corps program and military science studies.

Wake Forest Wellbeing Center, comprised of the *Sutton Center* and the *Historic W.N. Reynolds Gymnasium*, was reimaged and officially dedicated in 2018. The *Sutton Center*, named for alumnus and benefactor Ben Sutton ('80, JD '83, P '14, P '16, P '19), provides a large venue for wellbeing, social and academic gatherings; and *Historic W.N. Reynolds Gymnasium*, named for a prominent member of the family that helped bring the campus to Winston-Salem, has courts for indoor sports, a swimming pool, and Deacon Health.

Wake Forest is home to outstanding athletics facilities designed to enhance the health, wellbeing, and competitive excellence of all Demon Deacon teams.

Adjacent to the *Wellbeing Center* is *Kentner Stadium*, *Manchester Athletic Center*, and the *Kenneth D. Miller Center*, all of which are named for University benefactors. *Kentner* is home to the Demon Deacon field hockey team and the *Manchester* and *Miller Centers* house athletics administration.

The newest facilities on campus opened in September 2019. The *Sutton Sports Performance Center*, also named for Ben Sutton, and the *Shah Basketball Performance Center*, honoring benefactor and alumnus Mit Shah ('91), are dedicated to the strength, conditioning, sport-specific practice, and nutrition of student-athletes.

Spry Stadium, home of Wake Forest men's and women's soccer, is situated across from North Campus housing. Named for the father of benefactor William D. Spry, Jr. (P '97), the facility is one of the best in the country.

McCreary Field House, named for alumnus and benefactor Bob McCreary ('61), opened in 2016, providing indoor practice facilities and weightlifting for all of Wake Forest's intercollegiate sports teams.

The *Arnold Palmer Golf Complex*, named in honor of benefactor and Life Trustee Arnold Palmer ('51, LLD '70), includes the *Dianne Dailey Golf Learning Center*, which opened in 2010 and is named for the coach who led the women's golf program for 30 years, and the *Haddock Golf Center*, completed in 2016 and named for Jesse Haddock ('52, P '68), who coached the Deacons to three NCAA championships in his 32 years of service.

The three largest athletics venues are located 1.3 miles off the Reynolda Campus. *BB&T Field* is the home of the football team; basketball teams play in *Lawrence Joel Veterans Memorial Coliseum*, named after a decorated Vietnam War veteran from Winston-Salem; and baseball's home is *David F. Couch Ballpark*, named for a 1984 graduate and benefactor.

Nearby is the *University Corporate Center*, which temporarily houses several administrative departments and serves as home to the new childcare center, established and opening in 2024.

Alumni Hall houses the University Police Department and the Department of Parking and Transportation, and is slated for renovation for academic space.

Porter B. Byrum Welcome Center, named for alumnus and benefactor Porter B. Byrum (JD '42), is at the entrance to Wake Forest. The building allows prospective students and their families an opportunity to learn more about the University and to meet with admissions staff.

The Wake Forest campus has a wide variety of housing options available to students in residence halls named for alumni, faculty, benefactors, and Wake Forest presidents: *Babcock Hall*, *Bostwick Hall*, *Collins Hall*, *Davis Hall*, *Efird Hall*, *Huffman Hall*, *Johnson Hall*, *Kitchin Hall*, *Luter Hall*, *Martin Hall*, *North Campus Apartments*, *Palmer Hall*, *Piccolo Hall*, *Poteat Hall*, *Student Apartments*, *South Hall* and *Taylor Hall*. *Dogwood and Magnolia Residence Halls* opened in August 2013 and are coeducational by floor, wing, or apartment. In January 2014, the *North Dining* facilities opened adjacent to the new residence halls providing alternative dining options to the north side of campus. In January 2017, *Maya Angelou Residence Hall*, named in honor of the distinguished Wake Forest faculty member and internationally acclaimed poet, opened. It is also home to the Office of Residence Life and Housing and the Deacon OneCard Office.

In January 2017, converted tobacco warehouses became the home of new degree programs in biomedical sciences and engineering. Known as *Wake Downtown*, this academic extension is located a 13-minute shuttle ride from the Reynolda Campus. That same year, the University opened *Wake Washington Center*, a home of academic operations on DuPont Circle in Washington, D.C.

Wake Forest also owns academic-residential houses in three foreign countries. The University purchased *Casa Artom*, located on the Grand Canal in Venice and named for beloved medical school professor Dr. Camillo Artom, in 1974. Three years later, it acquired a London facility and named it *Worrell House* in honor of benefactor T. Eugene Worrell ('40, LHD '79) and his wife, Anne Worrell. And in 1998, *Flow House*, located in Vienna and named in honor of alumnus, benefactor, and Life Trustee Victor I. Flow ('52, P '83) and his wife, Roddy Flow (P '83), became part of the Wake Forest family.

- Student Code of Conduct
- Summary of Computing Rights and Responsibilities

Wake Forest University endorses, as a basic principle of University life, the concept of responsible student freedom, which carries with it the recognition by each student of the rights and obligations of other members of the University community.

The University encourages students to conduct themselves as mature men and women and invites them to participate in the formation of rules and to assume major responsibility in judicial decisions. At the same time, all participants in University life must remember that, by the charter of the University, the board of trustees is ultimately responsible for the University and for its operation. Wake Forest also expects its students to abide by local, state, and federal laws, as well as by generally accepted moral standards. Although the University's role is not to duplicate civil law enforcement or judicial action, it may exercise authority for reasons appropriate to its function as an educational institution.

In keeping with its historic concern for students individually and corporately, Wake Forest has a legitimate interest in their welfare in and out of class, on campus and off. The University is concerned with student actions that are inconsistent with student obligations to the educational community. When, in the opinion of the University, the conduct of a student at any place is reprehensible or detrimental to the best interests of that student, his or her fellow students, or the University, appropriate disciplinary action will be taken.

Wake Forest believes in individual freedom, not as a right, but as a responsibility: freedom to be and to become. Attendance at Wake Forest is a privilege, not a right. The University's traditions and principles, accepted by each student in his or her voluntary registration, evolve from the core of this individual concept of freedom and responsibility. Therefore, it is assumed that the student who elects to come to Wake Forest does so with the intent of being, in fact and in spirit, a cooperating member of this community.

Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

Directory information may be disclosed by Wake Forest for any purpose in its discretion without the consent of the student.

Students have the right to refuse to permit the designation of any or all of the above information as directory information. In that case, this information will not be disclosed except with the consent of the student, or as otherwise allowed by FERPA. Any student refusing to have any or all of the designated directory information disclosed must file written notification to this effect with this institution at the Office of the Registrar. Forms are available at that office. If a refusal is not filed, Wake Forest assumes that a student does not object to the release of the directory information designated.

1. **Right to inspect and review the student's education records within 45 days of the day the University receives a request for access.** Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the students of the

time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be made.

2. **The right to request amendment of the student's education records that the student believes are inaccurate or misleading.** Students may ask the University to amend a record that they believe is inaccurate or misleading. The student should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. **The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosures without consent.** One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement personnel and health staff); a person serving on the board of trustees; a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks; or a person, company, or governmental unit with whom the University has contracted to perform duties or services involving education records. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.
The following information regarding students is considered directory information:
 - a. name
 - b. address
 - c. telephone number
 - d. electronic mail addresses
 - e. date and place of birth
 - f. major field of study
 - g. enrollment status (undergraduate or graduate, full or part-time)
 - h. grade level
 - i. participation in officially recognized activities and sports
 - j. weight and height of members of athletic teams
 - k. dates of attendance
 - l. degrees and awards received
 - m. the most recent previous educational agency or institution attended by the student, and
 - n. other similar information such as a photograph.
4. **The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA.** The name and address of the Office that administers FERPA is:
Family Policy Compliance Office, U.S. Department of Education
400 Maryland Avenue S.W.
Washington, DC 20202-4605.

Inquiries concerning the application of anti-discrimination laws may be referred to the individuals listed above or to the Office for Civil Rights, United States Department of Education. For further information on notice of non-discrimination, visit the Office of Civil Rights website (<https://ocras.ed.gov/contact-ocr/>) for the address and phone number of the U. S. Department of Education office that serves your area, or call 1-800-421-3481.

Policy on Sexual Harassment

Wake Forest University expects all members of its community to act in respectful and responsible ways towards each other. Wake Forest University is committed to providing programs, activities and an educational environment free from sex discrimination. This Student Sexual Misconduct Policy sets forth resources available to students, describes prohibited conduct, and establishes procedures for responding to reports of sexual misconduct (including sexual assault, sexual harassment, and other unwelcome sexual behavior), as well as reports of dating violence, domestic violence, and stalking.

As a recipient of Federal funds, Wake Forest is required to comply with Title IX of the Higher Education Amendments of 1972, 20 U.S. C. § 1681

et seq. ("Title IX"), which prohibits discrimination on the basis of sex in education programs or activities. Sexual misconduct, as defined in this Policy, is a form of sex discrimination prohibited by Title IX.

This policy addresses complaints of sexual misconduct where the accused is a student of Wake Forest University. Complaints relating to sexual misconduct by a member of the University faculty or staff may be reported to the University's Title IX Coordinator. Details regarding Wake Forest's policy directed at sexual harassment by employees may be found at <https://hr.wfu.edu/oie/>.

Student Code of Conduct

Introduction

All members of the Wake Forest community will strive to live in and to promote an environment which recognizes individuality, fosters collegiality, respects the rights and privileges of others, and demonstrates responsibility for individual and group actions. If Students or Student Organizations fail to meet these expectations, the University, through the processes set forth in this Student Code of Conduct, will determine the nature and extent of violations and require appropriate outcomes.

Wake Forest is a community of people that seek the enlightenment and freedom which comes through diligent study. An even higher goal, however, is to give life to the University motto, Pro Humanitate, as the passion for knowledge is translated into compassionate service. The honesty, trustworthiness, and personal integrity of each Student is integral to the life and purposes of the Wake Forest community. Furthermore, Wake Forest strives toward a society in which good will, respect, and equality prevail. To that end, hatred and bigotry in any form are rejected, and justice, honor, and mutual trust are promoted.

The Student Code of Conduct supports the mission and motto of Wake Forest University and protects the interests of the Wake Forest community through the use of learning-focused accountability processes designed to facilitate the development of responsible global citizens while valuing the individuality of each person and their lived experiences.

Wake Forest may, from time-to-time, make changes to the Student Code of Conduct or other policies and procedures that are referenced in the Student Code of Conduct. When changes are made to the Student Code of Conduct by Wake Forest, students will be notified by email or other forms of communication.

In addition to this Student Code of Conduct, Wake Forest University students are also subject to other non-academic conduct policies, including, but not limited to, the policies addressing sexual harassment, sexual misconduct, and/or retaliation; the Policy on Ethical Use of Computing Resources; the Anti-Hazing Policy; the Undergraduate Alcohol and Other Drug Policy; the Residence Life and Housing Guide to Community Living; graduate or professional school codes or guides; and/or policies specific to the College or School of admission which set forth expectations regarding conduct of Students and Student Organizations. Concerns regarding possible violations of those policies may be referred to the Office of the Dean of the College and the Graduate School of Arts and Sciences, the Office of the Dean of Students, the Student Services Administrator for the respective School(s), and/or the Office of Institutional Equity regarding Student and Student Organization conduct and disciplinary matters for adjudication.

Statement on Student Expression

Wake Forest University is committed to diversity, inclusion, and the spirit of Pro Humanitate, and it strives to provide an environment conducive to understanding, fostering, and nurturing the values of mutual respect, dignity, responsibility, and open communication. Free speech and peaceable assembly are basic requirements of a university as a center for free inquiry and the search for knowledge and insight.

The University is committed to providing all students the right to openly dissent and to speak, write, listen, challenge, protest, and learn. Though the vibrant exchange of ideas may become contentious, such interactions, as part of the University's educational mission, can lead to changed perspectives, advanced knowledge, and informed action.

See the "University Policy on Demonstrations, Chalking, and Posting" in the University's Policy library at <https://policy.wfu.edu/demonstrations-chalking-and-posting-policy/> for the full policy and information.

Definitions

"Business Day" describes any day of the week, Monday through Friday, excluding University holidays or other official closures.

"Conduct Officer" includes any person(s) authorized to manage conduct cases and to administer Resolution processes.

"Conduct Panel" or **"Panel"** includes the group of individuals who hear cases of alleged Student or Student Organization misconduct. The composition of the Conduct Panel is determined by the Conduct Officer. A **"Panel Member"** refers to an individual on a Conduct Panel.

"Dean of Students" ("DOS") is the person or persons in a School or College with the functional responsibilities for administration of student conduct processes. This may include, but is not limited to, persons with the title "Dean of Students", "Associate Dean", "Assistant Dean", or a committee charged with responsibility for student conduct.

"Faculty" refers to persons who hold an academic appointment, whether tenured, tenure track, or non-tenure track, or full or part-time, or any person acting under their direction and/or supervision.

"Investigator" includes any individual(s) authorized to conduct investigations of alleged conduct violations.

"Judicial Council" refers to the body established to hear appeals of Honor and Ethics Council hearings and Formal Resolution meetings for undergraduate Students and Student Organizations.

"Office of the Dean of Students" refers to the named office and includes any other office authorized by a School or College to administer student conduct processes.

"Preponderance of the Evidence" is the standard under which alleged conduct violations will be evaluated, and means the information would lead a reasonable person to conclude it is more likely than not a violation occurred.

"Student(s)" includes all persons enrolled in undergraduate, graduate, professional, certification, or any other courses at or offered by the University, either full-time or part-time for which a transcribed record is created. Persons who withdraw after allegedly violating the Student Code of Conduct, who are not officially enrolled for a particular term but who have a continuing relationship with the University are considered "Students". The term "Student" does not apply to University guests or

visitors, even if they are temporarily living in University residence halls. The term “Student” does not refer to students enrolled exclusively in degree and certificate programs at the School of Medicine. The term “student” includes an admitted person who has moved into the residence halls, is attending orientation programs, and/or participating in athletic training programs.

“**Student Code of Conduct**” (“SCC”) establishes standards of behavior to support the values of the University and uphold the best interests of Students, Student Organizations, and the University community. This SCC applies to conduct occurring on any University Premises or Property, including all study away and study abroad campuses, or any conduct related to a University Program or Activity, regardless of location.

“**Student Organization**” refers to a group of Students formally recognized as an organization by the University or any of its Schools or the College, except for organizations recognized by the School of Medicine.

“**University**” or “**Wake Forest**” refers to Wake Forest University and includes all offices, departments, agencies, schools, colleges, auxiliaries, and affiliates.

“**University Official**” refers to any person(s) employed by or providing services on behalf of the University, including, but not limited to, faculty, staff, resident advisors, and food service staff.

“**University Premises or Property**” includes all land, buildings, facilities, and other property in the possession of, owned, used, managed, leased, or controlled by the University and/or any of its affiliated entities.

“**University Program or Activity**” includes all programs, events, activities, and functions sponsored, funded, endorsed, supported, or conducted by the University.

Jurisdictional Statement.

Wake Forest University’s SCC applies to alleged non-academic conduct by a Student or Student Organization taking place on University Premises or Property or in a University Program or Activity that adversely impacts the University community and/or the pursuit of the University’s educational objectives. Other University offices may be engaged and consulted as needed regarding investigations and outcome resolutions under this SCC. The Deans and Faculty of the College and Schools are responsible for academic conduct and administration of the Honor Code or Council for their respective College and Schools. The SCC applies throughout a Student’s entire enrollment at Wake Forest University, including regular academic terms; during academic breaks, like the summer or winter break; and while Students are on personal, medical, or other approved leave. The SCC also applies to any student on a study abroad or away program, whether operated by the University or another entity. The SCC also applies to non-academic conduct for all visiting, guest, auditing, exchange, and others enrolled in Wake Forest University courses.

The University does not seek or support special treatment for its Students who may be apprehended for violation of civil or criminal law. In some instances, an action violating a University policy may also violate local, state, or federal law. Such violations of law may be pursued in civil or criminal court simultaneous with, and separate from, the resolution of a complaint within the University. A pending legal action usually will not delay University action, nor will the outcome of a civil or criminal case determine the outcome of a University proceeding. Information,

reports, and materials related to a criminal or civil court proceeding may be considered in University conduct proceedings.

The SCC will also apply if a Student withdraws from Wake Forest while a disciplinary matter is pending. Any such disciplinary matter will need to be resolved in accordance with the procedures of the SCC then currently in effect when and if such a Student subsequently seeks to re-enroll at the University. The University retains the right to withhold transcripts if a Student attempts to transfer while a conduct matter is pending in accordance with state or federal law. The University also has the right to withhold the degree of a Student who has satisfactorily completed all academic requirements but has a conduct matter pending.

Wake Forest University expects Students to engage appropriately with the Dean of Students and Conduct Officers and considers outcomes as a result of the conduct process to be required components of the Student’s education. Accordingly, Conduct Officers have the authority to place registration, transcript, and graduation holds in order to require Students to attend meetings related to the conduct process, enforce outcomes, respond to past due outcomes, or other required student conduct procedures.

Students and Student Organizations may be held responsible for and sanctioned for attempted violations of University policy, even if the Student or Student Organization is prevented from or otherwise does not complete the act of misconduct.

Sometimes Student Organizations co-sponsor events with groups or organizations at other colleges or universities. Wake Forest Students and Student Organizations must adhere to Wake Forest University policies on such occasions, as well as any policies and procedures applicable to such events. Where officials of another college or university notify Wake Forest of incidents giving rise to a possible violation of the SCC, including the the policies addressing sexual harassment, sexual misconduct, and/or retaliation, the case will be processed through the appropriate Wake Forest conduct processes.

Reports of conduct that may also be a violation of the the policies addressing sexual harassment, sexual misconduct, and/or retaliation will be referred to the Title IX Office.

Prohibited Conduct.

Wake Forest considers the conduct described in the following sections as unacceptable for the University community and in opposition to the University’s core values. As used in this SCC, the Prohibited Conduct described below is to be interpreted using ordinary, non-legal meanings. The Conduct Officer will determine the applicability of the SCC.

Any Student or Student Organization found to have engaged in or attempted to engage in the following actions, behaviors, or decisions (“Prohibited Conduct”) is subject to the outcomes outlined below.

Abuse or Obstruction of the Conduct Process.

Deliberately or intentionally abusing, misusing, or misleading the procedural aspects of the conduct process. Examples of this behavior include:

- Destroying or concealing information during an investigation of an alleged policy violation;
- Filing a false conduct report;
- Discouraging an individual’s participation in, or use of, the student conduct system; or

- Influencing, or attempting to influence, the impartiality of any Conduct Officer or Panel Member.

Alcohol or Other Drugs Violation.

Students and Student Organizations with alcohol and/or other drug use resulting in behavior creating a risk of danger to the health and/or safety of themselves or others are subject to this SCC. Students are responsible for compliance with any and all Alcohol and Other Drug policies applicable to their College or School of enrollment.

Bullying, Cyberbullying, and/or Threatening Behaviors.

Inciting, assisting, supporting, organizing, approving, or otherwise participating in any behavior that would constitute bullying, cyberbullying, and/or threatening behavior. Such behaviors are defined as repeated and/or individual actions, behaviors, communication (written or oral), or gestures directed at another member of the Wake Forest community that reasonably intimidates, humiliates, degrades, defames, controls, threatens, or intentionally causes, or attempts to cause, non-physical harm to the individual. This can include communication or conduct directed to other person/s, groups, or self. Prohibited behaviors may be in person, in print, via electronic means, or through social networking.

Complicity.

Helping or actively encouraging another person to engage in a violation of University policy.

Deception.

Making a false statement to a University or other official, or knowingly furnishing or possessing false, falsified or forged materials, documents, accounts, records, identification, or financial instruments.

Destruction or Defacement of Property or Premises.

Attempted or actual damage to or destruction of University Premises or Property or personal property of another person or organization.

Disorderly Conduct.

Behavior, on-campus or off-campus, which unreasonably interferes with the ability of others to sleep, study, or participate in the programs or activities of the University. Conduct or activity by students living in, hosting functions at, or attending functions at off-campus locations must not unreasonably interfere with the rights of others; and/or violations of University Policy on Demonstrations, Chalking, and Posting.

Disruption or Obstruction of University Activities.

Conduct that prevents or substantially impedes the normal operations of the University or a University function or activity, such as teaching, research, lectures, meetings, interviews, ceremonies, and public events; blocks the legitimate activities of any person on the campus or in any University building or facility; or violates any University policy or procedure, including University Policy on Demonstrations, Chalking, and Posting.

Failure to Comply.

Disregard for, refusal to comply with the directives of, or demonstrating uncooperative, abusive, or threatening behavior towards University officials, any law enforcement officer(s), or other first responder(s) during the performance of their duties; failure to identify oneself to these persons when requested to do so; and/or failure to comply with

the outcomes resulting from student conduct proceedings or other University policy violations, including resolution agreements for any conduct process or policy.

Fire Safety.

Violation of applicable local, state, federal or campus fire laws, codes and policies including, but not limited to:

- Intentionally or recklessly causing a fire which damages University or personal property or which causes injury;
- Failure to evacuate University Premises during a fire alarm;
- Use of University fire safety equipment for an improper purpose; or
- Tampering with or improperly engaging a fire alarm or fire detection/control equipment while on University premises.

Gambling and Sports Wagering.

Persons under the age of 21 are prohibited from engaging in gambling or sports wagering in North Carolina. Students are prohibited from:

- engaging in harassment of student-athletes at Wake Forest or at other institutions because of gambling or sports wagering outcomes;
- attempting to gain non-public information from Wake Forest student-athletes for gambling or sports wagering purposes; or
- attempting to work with Wake Forest student-athletes to either place bets for the athlete or to affect gambling or sports wagering outcomes.

Harassment and Discrimination.

Harassment is any unwelcome conduct (including, but not limited to: verbal assault or abuse, graphic or written statements, use of technology, physical assault) that may be threatening, harmful, or humiliating and is subjectively and objectively offensive. To constitute harassment, the unwelcome behavior or communication, when considered in the totality of the circumstances, is so severe or pervasive that it has the purpose or effect of:

- creating an intimidating, hostile, or demeaning educational, living, or work environment, or
- denying or limiting a person's work performance or a student's ability to participate in or benefit from an educational program or activity.

Harassment is distinguished from behavior that, even though unpleasant or disconcerting, is appropriate to the carrying out of certain instructional, advisory, or supervisory responsibilities.

Discrimination is treating members of a protected category less favorably because of their actual or perceived membership in that category. The conduct may be verbal, nonverbal, written, electronic, or physical behavior and/or communication.

Behavior by an individual based on an individual's or group's sex/gender, sexual orientation, gender identity, or disability is addressed under the policies addressing sexual harassment, sexual misconduct, and/or retaliation or Student Disability Grievance Procedures. Harassment or Discrimination by an Organization based on an individual's or group's

sex, sexual orientation, gender identity, or disability; or harassment or discrimination by an individual on the basis of any protected category excluding an individual or group's sex, sexual orientation, gender identity, or disability is addressed through the procedures in this SCC.

Harm to Others.

Intentionally, knowingly, or recklessly causing, or attempting to cause, physical harm to or endangering the health or safety of any person(s), groups, or self, including any behavior with the intent to kill, injure, or intimidate.

Hazardous Activity.

Creation of health and/or safety hazards, including, but not limited to, dangerous pranks, hanging out of or climbing from/on/in windows/balconies/roofs, and reckless driving.

Hazing.

See Anti-Hazing Policy. Any action taken or situation created for the purpose of initiation, admission into, affiliation with, or as a means of maintaining continued membership or favor in a group, organization, or team that: (1) endangers the mental or physical health or safety of any student; (2) unreasonably interferes with a student's academic, professional, or personal obligations; (3) humiliates, demeans, disgraces, or degrades a student; (4) is not relevant to the development of the individual within the context of the group, organization or team, or; (5) the action taken or situation created is excessive and unreasonable within the context of the group, organization or team.

Retaliation.

An adverse action or threat of adverse action taken against an individual for reporting behavior that may be prohibited by law or policy or participating in an investigation or resolution process related to an allegation of misconduct. Retaliation must be sufficiently severe or pervasive to create a work or academic environment that a reasonable person would consider intimidating, hostile, or abusive and that adversely affects the targeted individual(s) or student organization's educational, work, or living environment. Retaliation prohibited under the Policy Prohibiting Sex Discrimination, Sex-Based Harassment, and Retaliation will be addressed in accordance with that Policy.

Stealing.

The unauthorized taking, misappropriation, or possession of any property belonging to, owned by, or maintained by the University, an organization, or another individual, or the possession, retention, or disposal of stolen property.

Unauthorized Access.

Unapproved entry, or allowing another to enter, into or onto University Premises or Property, or space occupied by another person, without permission or authorization. Unapproved possession, duplication, or use of keys and/or cards, or aiding another in such activity, to gain entry into or onto any University Premises or Property or failing to report a lost Deacon OneCard or key.

Violation of a University Policy or Law by a Guest.

Any violation of a University policy or law by a guest of a Student or Student Organization.

Violations of Law or University Policy

Violating any federal, state, or local law or ordinances. Violating other policies, procedures, or rules, of the University or of the relevant College

or School including, but not limited to, public health emergency policies, the Demonstrations Policy, and all Residence Life and Housing policies published in the Guide to Community Living (<https://rlh.wfu.edu/guide-to-community-living/>). In the event a specific policy, procedure, or rule has a process to address violations of that policy, procedure, or rule, University offices or departments may, at their discretion, make referrals to Student Conduct for coordination of response in cases of alleged violations.

Weapons.

Students may not bring or possess either openly carried or concealed weapons on campus, regardless of any state or federal law to the contrary. Possession, use, storage, or distribution of explosives (including fireworks and ammunition), guns (including air, BB, paintball, facsimile weapons, and pellet guns), or other weapons or dangerous objects such as arrows, axes, machetes, nunchucks, throwing stars, or knives, on University Premises or Property (whether on one's person, in a parked vehicle, in a building, or in outside spaces), except for authorized use in the Department of Military Science or authorized use by Campus Recreation.

Student Organizations

Although not all acts of individual members can or should be attributable to the Organization, an Organization may be held responsible for the actions of its members. Allegations of Student Organization misconduct may be adjudicated before, concurrent with, or following related cases of individual misconduct. Student Organizations can designate up to five (5) members or officers to represent the Student Organization in a Formal Resolution meeting.

Factors used in determining whether alleged violation(s) of the SCC can be attributed to an Organization may include, but are not limited to:

- Whether the alleged misconduct occurred at an event the Student Organization has, formally or informally, sponsored, co-sponsored, planned, financed, advertised, or endorsed;
- The number of Student Organization members and/or officers present;
- Whether the alleged misconduct is committed by members attending a function as a representative of the Student Organization or the University, including, but not limited to, competitions, conferences, and conventions;
- Whether members were acting in the name of the Student Organization;
- Whether the alleged misconduct occurs on the premises owned, leased, or operated by the Student Organization or its members; and/or
- Failure of the Student Organization to implement preventative measures where it is reasonably foreseeable that a violation could occur.

Interim and Other Actions

Interim Action

Based on the nature of a Student's or Student Organization's alleged behavior, the Dean of Students or designee may impose an Interim Action prior to the completion of the conduct process. Interim Action may be imposed when the Dean of Students or designee reasonably determines, based on the information available at the time when the decision is made, to:

- ensure the safety and well-being of members of the University community, including visitors, or others, and/or;
- preserve University Premises or Property or the property of any members of the University community, including visitors, and/or
- prevent disruption of, or interference with, the normal operations or activities of the University.

Interim Action may include, but is not limited to, prohibiting the Student or Student Organization from being on University Premises or Property, attending classes, attending programs and activities, or using University facilities. The Student or Student Organization will receive notice of any Interim Action taken in writing to their official University email address. Interim Action may be in place for no more than fifteen (15) business days pending the Resolution Meeting on alleged violation(s), unless the Resolution meeting is delayed due to administrative necessity or at the request of the Student or Student Organization.

At any time prior to the Resolution Meeting, a Student or Student Organization placed on Interim Action may request an Interim Action Review by submitting the request in writing to the Dean of Students or designee. The request for review must include a statement from the Student or Student Organization explaining why the Student or Student Organization believes the Interim Action is not warranted. The Interim Action Review must take place within five (5) business days of receipt of the request for review. A Conduct Officer who did not impose the Interim Action will conduct the Interim Action Review. The Interim Action may be modified, upheld, or reversed, and the Student or Student Organization will be notified of this outcome in writing. The outcome of the Interim Action Review is final, and any Interim Action will remain in effect until the conclusion of the conduct process.

No Contact Orders

No Contact Orders are issued in writing at the discretion of the Dean of Students or designee, based on administrative review of a situation involving two or more Students or Student Organizations. No Contact Orders are designed to be in the best interest of the Student(s), Student Organizations, or the University community. A No Contact Order is issued when there is reason to believe that an Order would be in the best interest of the involved parties and/or the community for promoting civility, safety and well-being. No Contact Orders do not require the approval, agreement, or prior notice to any Student or Student Organization involved.

1. A No Contact Order is often, but not always, mutual. Orders most frequently are two-way, preventing communication between Student(s) or Student Organization(s) named in the Order.
2. A No Contact Order can be issued prior to or as a result of a Resolution Meeting, or entirely outside of a conduct process for a specified or unlimited duration of time. No Contact Orders do not become part of a Student's or Student Organization's conduct record unless the student violates the order as determined through the University's conduct system, or unless the Order is the result of a conduct outcome.
3. No Contact Orders are not equivalent to court imposed restraining orders and do not guarantee that designated parties will avoid sightings or passing interactions on the campus or in the local community.

4. In some circumstances, a No Contact Order may restrict a Student or Student Organization from parts of the campus where the Student Organization would not have to engage in required activities. Students who are concerned about personal safety should contact University Police.

No Contact Orders are put in place to prevent communication between one or more Students or Student Organizations and specifically prohibits:

1. Direct communication through the means of verbal, written, email or other forms of communication;
2. Indirect communication through social media (including online postings and/or personal references);
3. Third party communication to initiate or transmit communication back to the other person.

Human Resources may initiate No Contact Orders between employees and students using procedures and processes managed by Human Resources.

Procedures

Making a Report

Incidents of alleged violations of the SCC should be reported to the Office of the Dean of Students or a conduct officer for the respective College or School. Any member of the University community may make a report concerning alleged violations of the SCC. Any delay in reporting may result in lost information or an inability to investigate the report.

Wake Forest University provides an option for anonymous reporting of any information you have regarding a suspicious person, any suspicious activity, or a crime that has occurred on- or off- campus. To complete an online crime reporting form go to: <https://police.wfu.edu/forms/silent-witness-form/>. Do not use this form to report crimes in progress. Call 911 from any telephone to report a crime in progress.

Initial Review

After receiving a report, the Dean of Students or designee will determine if the reported behavior, if true, would constitute a violation of the SCC. The Dean of Students or designee may initiate interim action, in accordance with the Interim Action process.

Individuals who may have been harmed by the acts of a Student are not parties to the SCC process, but may be asked to provide information during an investigation of an alleged violation.

Notice of the Conduct Process

When a report has been filed and has not been dismissed following the initial review, the Student or Student Organization will receive Notice of the Conduct Process. The Notice of the Conduct Process will include a summary of the reported behavior, the date of the report, the alleged conduct violation(s), the assigned Conduct Officer, and an electronic link to the Code of Conduct. The Dean of Students or designee will initiate a Resolution Meeting and conduct an investigation or further review into the facts of the report.

Copies of Documents

Copies of documents, reports, letters, and similar information are not provided. Any Student or Student Organization alleged to have violated

the SCC can view relevant information by working with the Conduct Officer or designee.

Publicity and Confidentiality

Investigations, conduct processes, and conduct outcomes are not publicized or open to the public. Conduct-related information is confidential and will only be disclosed in accordance with University policy or as may be permitted by law.

Disability Accommodations

A Student requesting accommodations must do so through the Wake Forest University Center for Learning, Access, and Student Success. Only accommodations approved through an accommodation letter will be considered.

Resolution

The process will be resolved either through an Informal Resolution or Formal Resolution meeting. The Dean of Students, or designee, will determine which method for resolution is appropriate and assign a Conduct Officer to the case. When possible, cases are resolved through an Informal Resolution meeting. Factors considered in determining whether a Formal Resolution meeting is appropriate include, but are not limited to, the severity and/or complexity of the alleged incident, possible outcomes, and the Student's or Student Organization's prior conduct record.

Student Conduct Advisors

Students or Student Organizations scheduled for a Formal Resolution meeting may request an advisor through the Dean of Students or designee. For undergraduate Students, advisors are usually students and are called Student Conduct Advisors (SCA). For graduate and professional Students, the Conduct Officer or Dean's designee may work with Students or Student Organizations to secure an appropriate person to support the Student or Student Organization throughout the conduct process. Advisors are usually Wake Forest University faculty or staff (but may be students) who have experience with student conduct. External advisors not affiliated with the University, including parents or attorneys, are not permitted to serve as advisors. The advisor is the only person a Student may have present in the meeting, unless otherwise permitted in these procedures. The respective Dean of Students or designee can provide information about the scope and role of the advisor.

Informal Resolution Meeting

If the Dean of Students or designee determines the case may be resolved through an Informal Resolution, the assigned Conduct Officer and the Student or Student Organization will meet to discuss the details of the incident. The Student(s) or Student Organization will be required to make an appointment with the assigned Conduct Officer. The Student or Student Organization is responsible for arranging this meeting within the parameters stated in the Notice of the Conduct Process. If the Student or Student Organization fails to arrange the required meeting, a hold may be placed on the Student or Student Organization's account. Meetings may take place in person or electronically, at the discretion of the Conduct Officer.

The Student or Student Organization may review the information leading to the allegations in advance of the Informal Resolution or may review the information during the resolution meeting. The Student or Student Organization will review all materials gathered by the Conduct Officer, discuss the situation and allegations, and have their account heard.

An Informal Resolution meeting is considered resolved when the following criteria are met:

- the assigned Conduct Officer and the Student or Student Organization agree Informal Resolution is a reasonable option given the circumstances, and the Student or Student Organization has not requested a Formal Resolution meeting;
- the Conduct Officer and the Student or Student Organization agree to the findings (Responsible or Not Responsible) for the alleged violation(s), and;
- the Student or Student Organization agrees to the outcomes.

If a resolution is reached through an Informal Resolution, the Conduct Officer will send the Student or Student Organization a copy of the decision for review and consideration. The Student or Student Organization will have three (3) business days to accept or reject the informal resolution. If the Student or Student Organization signs the decision, indicating acceptance of the findings and outcomes, the Student or Student Organization acknowledges there will be no further review or appeal of the findings and outcomes. If the Student or Student Organization declines to sign the findings or outcomes, the case will proceed with a Formal Resolution meeting.

Formal Resolution Meeting

Formal Resolution Meeting: The Student(s) or Student Organization will be notified of the designated meeting date, time, and location. Meetings may take place in person or electronically, at the discretion of the Conduct Officer.

The procedures of a Formal Resolution are as follows:

1. **Timeline:** The Student(s) or Student Organization will receive a Notice of the Conduct Process at least five (5) business days prior to the Formal Resolution meeting. In addition to the summary of the incident, the date of the report, the alleged conduct regulation violation(s), the assigned Conduct Officer, and an electronic link to the Code of Conduct, the Notice will include the designated meeting date, time, and location, the witnesses being called by the University, and any other information (e.g., security video, access records) being presented. At certain times of the year, it may not be possible or practical for the Dean of Students or designee to provide the Student or Student Organization with five (5) business days of notice of the Formal Resolution meeting. In such an event, a Student or Student Organization may either waive this timeline or request, either electronically or in writing, their Formal Resolution meeting be expedited or delayed. The Conduct Officer will make the decision regarding the request and notify the Student or Student Organization electronically or in writing.
2. **Meeting Materials:** The Student(s), Student Organization, and Meeting Panelists may request to view all materials gathered in the case by working with the Conduct Officer or designee, which may include a Student Conduct Advisor. Copies of documents, reports, letters, and similar information are not provided.

3. **Failure to Attend:** Students and Student Organizations are expected and encouraged to attend in order to provide their perspective; if a Student or Student Organization does not attend a Formal Resolution meeting, the Conduct Officer may resolve the case without the Student or Student Organization. The choice not to attend or actively participate in the meeting is not a valid reason for an appeal.
4. **Meeting Panel or Conduct Officer:** The Conduct Officer will determine if the Formal Resolution meeting will be conducted in front of a Meeting Panel or if the Conduct Officer will proceed without a panel. Meeting Panelists will be determined by the School or College and will be selected from a trained, standing group of panelists. Meeting Panel members may include University faculty, staff, and/or students. Meeting Panels should include at least two panelists and a conduct officer to serve as the chair of the Panel, and may include up to ten (10) total members.
5. **Witnesses:** If the Student(s) or Student Organization identifies witnesses, the list of names and contact information must be provided to the Conduct Officer at least two (2) business days in advance of the Formal Resolution Meeting. If a Student, Student Organization, or the University's witness(es) cannot attend the meeting, remote participation may be permitted or a written or video statement may be presented. Only witnesses who can provide relevant information about the alleged violation(s), as determined by the Meeting Panel, will be allowed. Character witness statements or testimony are not permitted.
6. **Recordings:** All meetings will be recorded by the Conduct Officer. Recording by others is not permitted. Recesses and deliberations are not recorded.
7. **Privacy:** Formal Resolution meetings are private. Only the Student or designee(s) of the Student Organization, meeting panelists, Conduct Officer, witnesses, and assigned Student Conduct Advisors are allowed in the meeting. Students or Student Organizations may request one (1) support person who is a current member of the Wake Forest University community. A support person is present only for support of the Student or Student Organization and may not participate in the meeting.
8. **Joint Meetings:** Two or more Students or Student Organizations may participate in a joint Formal Resolution meeting if they are alleged to have participated in the same incident. The allegation/s and/or the alleged factual circumstances need not be identical for participation in a joint meeting. Any Student or Student Organization scheduled to participate in a separate meeting may request, in writing, a joint meeting if all participants agree. If a Student or Student Organization requests a joint meeting prior to the scheduled Formal Resolution, the Conduct Officer will determine the feasibility of the request.
9. **Multiple Incidents:** A Student or Student Organization alleged to have violated the SCC in unrelated incidents in a short period of time (less than 30 business days) may request to have a single Formal Resolution meeting to resolve all allegations. A request for a combined meeting must be submitted in writing to the Dean of Students or a designee prior to the date of the scheduled meeting.
10. **Standard of Responsibility:** The Student or Student Organization alleged to have violated the SCC shall be presumed Not Responsible. The standard of proof for a finding of responsibility shall be a "preponderance of the information", meaning it is "more likely than not" based on the information presented during a Resolution Meeting that the alleged conduct violation(s) occurred. It is the responsibility of the University to establish whether there is sufficient information to meet the standard. Rules of evidence applied in civil and/or criminal legal cases do not apply to the Informal and Formal Resolution meeting processes.
11. **Request for Delay:** Except in emergency circumstances, at least three (3) business days prior to the scheduled Formal Resolution meeting, the Student or Student Organization may request, in writing to the Conduct Officer, a delay in the Formal Resolution meeting. The request must include the reason for the delay and the length of the delay. The Conduct Officer will make the decision regarding the request and notify the Student or Student Organization electronically or in writing. The Student or Student Organization will be notified if the University must delay a Formal Resolution meeting for administrative purposes.
12. **Order of a Formal Resolution Meeting:** The order of the Formal Resolution meeting will be as follows:
 - 12.1 The Conduct Officer will begin the meeting with an introduction of Meeting Panelists, if relevant, a review of the proceedings, and a summary of the conduct process.
 - 12.2 Student(s) alleged to have violated the Code of Conduct are introduced, and an affirmation of honesty (as determined by the College or School) will be administered.
 - 12.3 The allegation(s) will be read, and the Conduct Officer will present all information regarding the incident. The Student or Student Organization will be asked if they are responsible for the allegation(s).
 - 12.4 The Student(s) may provide a statement or narrative regarding the incident and the allegations(s).
 - 12.5 The Student or Student Organization's witness(es) will be called into the Meeting one at a time. Each witness will be introduced and an affirmation of honesty (as determined by the College or School) will be administered. During the Meeting, the witness(es) may read a prepared statement and/or respond to questions from the Student or Student Organization.

12.6 The Meeting Panelists may ask questions of the Student or Student Organization and any witnesses at any time.

12.7 The Conduct Officer will call witnesses. Each witness will be introduced and an affirmation of honesty (as determined by the College or School) will be administered. Any witness(es) may read a prepared statement and/or respond to questions from the Conduct Officer.

12.8 The Meeting Panelists and/or the alleged Student(s) or Student Organization may ask questions of the witness(es) called by the Conduct Officer.

12.9 After all witnesses have been heard and the Meeting Panelists have concluded asking questions, all witnesses are released from participation in the Formal Resolution Meeting.

12.10 The Conduct Officer will ask the Student(s) or Student Organization if they would like to share any additional information or make a closing statement.

12.11 The Meeting is adjourned, the recording is stopped, the alleged Student(s) are released, and the Panelists will remain for deliberation. The Conduct Officer remains to respond to questions of procedural concern or as needed by the Panelists.

13. **Procedural Concerns:** All procedural questions raised during the Formal Resolution process will be addressed by the Conduct Officer, and all decisions of the Conduct Officer are final.
14. **Decisions for Formal Resolution Meetings:** The Formal Resolution Meeting Panel advises the Conduct Officer regarding findings and outcomes. Following the conclusion of a meeting, the Panel will deliberate and advise on Finding(s). If the Panel recommends a finding of "not responsible" for the allegation(s), and the Conduct Officer accepts the Panel's recommendation, there will be no outcomes. If the Panel recommends a finding of "responsible", and the Conduct Officer accepts the Panel's recommendation for the allegation(s), the Panel will recommend appropriate outcome(s). The Conduct Officer is responsible for informing the Panelists of applicable precedent and any previous conduct violations. The Conduct Officer will determine the outcomes for the Student and will deliver an outcome letter to the Student(s) or Student Organization(s) electronically or in writing, generally via email.

Not Responsible

The Student or Student Organization is not responsible for the alleged violation.

Outcomes

Outcomes are intended to challenge students' moral and ethical decision-making and to change behaviors. If a Student or Student Organization does not meet community expectations, the student conduct process may determine that the Student or Student Organization should no longer share in the privilege of participating in the Wake Forest community. Suspension or Expulsion during a term will not result in a refund of tuition, housing, dining, or other charges.

The nature of the finding(s) and specific circumstance(s) will be considered when determining the outcome of a Resolution meeting. Outcomes are issued on a case-by-case basis and are dependent upon factors including, but not limited to, the nature and severity of the finding(s), the presence of mitigating or aggravating circumstances, whether the Student or Student Organization has had a prior conduct finding, and the disciplinary status of the Student or Student Organization. Wake Forest facilitates learning through student conduct by providing tools and resources to assist students in learning from their experiences to make better decisions in the future. Wake Forest believes in supporting Students and Student Organizations while challenging their behaviors, decisions, and actions. Conduct Officers and Panelists are encouraged to consider outcomes to encourage critical thinking; outcomes focused on accountability for actions, behaviors, and decisions; and outcomes supporting the safety and security of the University community. Other University policies may have presumptive outcomes, and those presumptions will be considered when determining outcomes.

Outcomes are considered in four broad categories:

Educational / Developmental

Educational and developmental outcomes are designed to prompt Students and Student Organizations (and their members) to learn, grow, develop, and to support behavioral change through the use of educational, research, and growth-focused strategies. Educational outcomes include, but are not limited to:

Educational Program: Attendance at programs, events, services, workshops, trainings, seminars, or activities.

Educational Papers: Academic papers which may require components of research, reflection, analysis, and similar academic endeavors designed to encourage and support learning.

Reflective Papers: Papers which are not academic, but instead require assessment, reflection, consideration of actions and decisions, and other efforts to prompt behavioral change.

Substance Use / Abuse / Misuse Assessment: Educational programs, assessments, and evaluations from an appropriate professional on-campus or off-campus. Additional education or treatment may be required as a result of the assessment.

Restitution: Payment for damage caused to the University or a person's property. Such payment may cover costs to restore or recover the value of the property destroyed, damaged, consumed, or stolen; it is not a fine.

Findings

Wake Forest University recognizes the following as possible outcomes of a conduct meeting:

Responsible

A Student or Student Organization has accepted responsibility for a violation of the SCC through the Informal Resolution meeting, has been found responsible through a Formal Resolution meeting, or has accepted limited responsibility in accordance with the Proactive Medical Support Policy. A Student or Student Organization who is responsible for a conduct violation may receive one or more of the outcomes listed below.

Prevention

Suspension Withheld: A specified period of time during which the Student is considered not in good conduct standing with the University. This outcome is assigned for violations serious enough to warrant suspension from the University, but the student is given an opportunity to remain enrolled at the University. During this period, if the Student is found responsible for violating additional parts of the SCC, Suspension may become immediately effective. A Student may be required to meet periodically with a Dean (or other University official) and other actions deemed appropriate by the Conduct Officer may also be imposed, including, but not limited to, restitution, limiting or prohibiting participation in University-affiliated activities and organizations, and ineligibility for service as an officer or to have a leadership role in University organizations or committees.

Activities Suspension: Limited participation in non-academic activities for a specified period of time, as identified by the Conduct Officer. This may include ineligibility to participate or hold office in any organization at the University or to represent the University in the greater community. Participation in study abroad programs, non-academic conferences/retreats, OPCD and job search activities, ambassador roles, intramural teams will be considered by the Conduct Officer or Meeting Panel based on the conduct findings. Work-study jobs are not suspended during this time.

Disciplinary Probation/Disciplinary Warning: A specified period of time during which a Student has the opportunity to demonstrate the ability to abide by the community's expectations of behavior articulated in the SCC. If the Student is found responsible for another violation of the Code during this period, serious consideration will be given to imposing an outcome of Suspension. A Student may be required to meet periodically with a Dean (or other University official) during their period of probation. A Student on Disciplinary Probation is still in good conduct standing with the University.

University Housing Probation: Official notice that if further violations of the SCC occur during a specified probationary period the Student may be immediately removed from University Housing.

University Housing Reassignment: Reassignment to another University housing facility as determined by the Department of Residence Life and Housing.

University Housing Suspension or Expulsion: Removal from University housing for a specified period of time up to, and including, permanent removal. Conditions for readmission to University housing may be specified. Under this outcome, a Student is required to vacate University housing within 24-hours of notification of the action, though this deadline may be extended upon application to, and at the discretion of, the Executive Director of Residence Life and Housing or designee. This outcome may include a restriction for specified buildings or all University housing during the period of suspension or expulsion.

On-campus Living Requirement: Removal from off-campus housing assignment to a University housing facility as determined by the Department of Residence Life and Housing

Residency Requirement Extension: Requirement to live on-campus beyond the specified residency requirement period.

Student Organization Restrictions: Restriction or removal of some or all of the Student Organization's activities or privileges, including, but not limited to, social, recruitment, and lounge privileges.

Student Organization Deferred Suspension of University

Recognition: Removal of the Student Organization's recognition by the University is deferred pending the completion of requirements specified in the decision of the Conduct Officer or Meeting Panel. An additional finding of responsibility during the suspension period will result in suspension or revocation of University Recognition.

Restorative

Restorative Actions: Requirement to engage in actions that attempt to make amends for the negative impact of a violation and to repair the harm that resulted from the misconduct. These actions may include, but are not limited to, activities such as letters of apology, drafting and implementing a plan of resolution (together with the Conduct Officer), engaging in restorative justice conferences, or developing plans for reintegration.

Community Service: Assignment to work a specific number of hours at a community service site approved by the Conduct Officer and may be on or off campus.

Separation and Status

Suspension: Separation from the University for a specified minimum period of time, after which the student is eligible to return. Eligibility to return may be contingent upon satisfaction of specific conditions noted in the outcome letter. During the suspension period, the Student may not be present on University premises, at University functions, events, and/or activities, on or off campus, without prior written approval from the Dean of Students or designee.

Expulsion: Permanent separation from the University without the possibility for re-enrollment. The Student may not be present on University premises, at University functions, events, and/or activities, on or off campus.

Withholding Degree: The University may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Conduct Code, including the completion of all conduct outcomes.

Student Organization Suspension of University Recognition: Removal of the organization's recognition by the University for a specific period of time. The period of time and any requirements, which must be satisfied prior to review for reinstatement, will be specified in the decision of the Conduct Officer or Meeting Panel.

Student Organization Expulsion and Revocation of University

Recognition: Permanent separation from the University and termination of the organization's relationship with the University.

Appeals

Appeals are considered only for findings and/or outcomes of a Formal Resolution meeting.

The Dean of the School or College, or their designee/s, is the final appeal authority for all SCC violations as determined through a Formal Resolution meeting. The Dean, at their sole discretion, may delegate appeal decisions to an individual, committee, ad hoc group, or similar. The decision of the Dean or designee is final, binding, and the end of the conduct process.

Requests for an appeal must be submitted in writing within 14 calendar days of receipt of the outcome letter. Requests for an appeal must be

submitted to the Dean of the School or College or their designee, as noted in the outcome letter.

Students or Student Organizations who have received an outcome other than Suspension or Expulsion are not guaranteed an appeal meeting. Students with an outcome of Suspension or Expulsion will be automatically granted an appeal meeting if the request is made in writing within 14 calendar days of receiving notification of the outcome letter.

An appeal request must state one or more of the following grounds for an appeal:

- insufficiency of information to support the decision;
- severity of the outcome;
- presence of new information not available at the time of the Formal Resolution meeting; or
- procedural error significantly impacting the finding(s) or outcome(s).

If the appeal request is declined, the Student or Student Organization will be notified electronically or in writing by the Dean of the School or College or their designee. If the appeal request is granted, the Dean of the School or College will notify the Student or Student Organization electronically or in writing of the date for the appeal meeting.

Specific appeal procedures for the School and Colleges may be outlined on the Student Conduct website for the School or College of enrollment.

Student Conduct Records Disclosure

The University determines reportability of conduct records, as outlined below.

Conduct System Record Disclosure

A Student or a Student Organization has a conduct record if they are found responsible for a violation of this SCC.

- Internal Disclosure of Records: In compliance with the Family Educational Rights and Privacy Act ("FERPA"), University officials with a legitimate educational interest (such as study abroad programs reviewing a Student's eligibility for study abroad, scholarship review committees, etc.) may review a Student's conduct record in the Office of the Dean of Students.
- External Disclosure of Records: The University will disclose information from a Student or Student Organization conduct record to a third party with written consent of the Student or Student Organization or as may otherwise be permissible by law.
- A Student may review all or part of their conduct record by making a request through the Office of the Dean of Students.

Information subject to disclosure:

The following violations for which the Student or Student Organization was found responsible are reportable conduct violations:

- Theft (value of item/s more than \$500)
- Deception (not including possession or use of false identification to change age)

- The policies addressing sexual harassment, sexual misconduct, and/or retaliation
- Use, possession, manufacture, sale, distribution, or transportation of illegal drugs, excluding findings for possession or use of Marijuana/Cannabis. Alcohol misuse and possession or use of Marijuana/Cannabis will be disclosed if the violation results in a Suspension or Expulsion.
- Weapons
- Harm to Others
- Harassment
- Hazing
- Bullying/Cyberbullying, Threatening Behavior
- Retaliation
- Any outcome of Suspension or Expulsion

Reportable violations will include the date of the incident, the date the Student or Student Organization was found responsible, finding(s), outcome(s), outcome completion status, and a brief summary of the incident. Notwithstanding the foregoing, information disclosed pursuant to a legal process will include all information and records that are responsive to the request.

Pending hearing:

A Student or Student Organization with pending conduct allegations may have a notation reported on their conduct record stating, "This individual has a pending conduct matter for which, if found responsible, would be disclosed externally."

Related Policies

Anti-Hazing Policy

Wake Forest University prohibits hazing and any conduct that aids, abets, assists, or supports another in hazing. "Hazing" is any action taken or situation created for the purpose of initiation, admission into, affiliation with, or as a means of maintaining continued membership or favor in a group, organization, or team that: (1) endangers the mental or physical health or safety of any student; (2) unreasonably interferes with a student's academic, professional, or personal obligations; (3) humiliates, demeans, disgraces, or degrades a student; (4) is not relevant to a student's development within the context of the group, organization or team; or (5) the action taken or situation created is excessive and unreasonable within the context of the group, organization or team.

The consent or willingness of the person subjected to hazing, either expressed or implied, is not a defense to hazing.

Wake Forest prohibits retaliation against any person who acts in good faith to stop, prevent, or report potential hazing activity, or who participates in an investigation involving hazing allegations. Wake Forest encourages reports of potential hazing or retaliation, and reports can be made at this website: <https://hazing.wfu.edu/report-hazing/> or by calling 336.758.HAZE (4293).

Persons who cause physical injury by hazing, or who aid or abet others in physical injury by hazing, are also subject to arrest and criminal liability under North Carolina law (https://www.ncleg.gov/enactedlegislation/statutes/pdf/bysection/chapter_14/ga_14-35.pdf).

Violations of this policy may result in sanctions under the Student Code of Conduct, up to and including Disciplinary Suspension and Disciplinary Expulsion. The Student Conduct Office will coordinate hazing

investigations with other appropriate University units and a proceeding may determine outcomes for alleged violations of this policy and other University policies.

Hazing results from a power imbalance between members of a group, organization or team. Hazing due to this imbalance can impact any member of the group, organization, or team, regardless of status. Hazing can take place in various forms, including Intimidation Hazing, Harassment Hazing, and/or Violent Hazing.

Intimidation Hazing

This involves conduct that emphasizes the power imbalance between members of the group, organization, or team, and current members, new members, or students seeking or maintaining affiliation. This is termed "intimidation hazing" because this type of hazing is often taken for granted or accepted as harmless or meaningless.

Intimidation hazing typically involves activities or behaviors that breach reasonable standards of mutual respect and results in new members being ridiculed, embarrassed, and/or humiliated. Members often feel the need to endure intimidation hazing to feel like part of the group or community. Examples of intimidation hazing include, but are not limited to:

- Required periods of silence
- Deprivation of privileges
- Social isolation
- Name calling
- Assignment of duties not assigned to other members, including event preparation and/or clean up, driving requirements, and similar obligations or assignments

Harassment Hazing

This involves conduct that causes emotional anguish or physical discomfort to members so that they feel like part of the group. Members subjected to harassment hazing often experience confusion, frustration, and undue stress. Examples of harassment hazing include, but are not limited to:

- Verbal abuse
- Threats or implied threats
- Sexual simulations or nudity
- Requiring situationally inappropriate attire or changes to physical appearance, such as the cutting of hair, wearing makeup or markers, or other alterations
- Sleep deprivation

Violent Hazing

This involves conduct that causes or could cause physical or psychological harm. Examples of violent hazing include, but are not limited to:

- Forcing or coercing alcohol or other drug consumption
- Forcing or coercing physical activity or exercise, such as pushups, "planking," "bows and toes," or similar
- Forcing or coercing sexual acts
- Beating
- Paddling or other forms of battery
- Branding or tattooing
- Creating a threatening circumstance such that a student reasonably fears for their personal safety

- Forcing or coercing ingestion of vile substances
- Placing students in the shower against their will
- Bondage
- Kidnapping
- Expecting participation in illegal activity or in an activity that would otherwise violate the Student Code of Conduct or other University policy.

Disciplinary suspension or disciplinary expulsion will be strongly considered for students and/or student organizations found responsible for violent hazing, harassment hazing, and retaliation. Additionally, students or student organizations who use deception or collude with others to obstruct a hazing investigation will receive the same disciplinary consideration.

Alcohol and Other Drug Policy for Undergraduate Students

General Regulations and Policy

Possession or consumption of alcoholic beverages and/or other drugs is permitted only in accordance with this policy and applicable laws. Failure to comply with this policy and applicable laws could subject the individual and/or group to conduct action within the University.

When consumption of alcoholic beverages is permitted by students and their guests of legal age on campus, such consumption is limited to beer, unfortified wine, and other malt beverages. Permitted beverages must contain 16% or less alcohol by volume (ABV). Distilled alcoholic beverages and other beverages with an ABV greater than 16% may not be consumed except at events held at a licensed establishment or where alcohol is served by a licensed third-party vendor.

When possession of alcoholic beverages is permitted by students and their guests of legal age on campus, such possession is limited to beer, unfortified wine, and other malt beverages. Permitted beverages must contain 16% or less alcohol by volume (ABV). Distilled alcoholic beverages and other beverages with an ABV greater than 16% may not be possessed on campus.

Students and their guests of legal age may consume alcoholic beverages (beer, unfortified wine, and other malt beverages) in the following locations on the Reynolda campus: residential living spaces within residence halls, leased lounges, independent lounges, common spaces in apartment-style living suites, Shorty's, Zick's, and at special event venues during registered events.

Students and their guests of legal age may consume alcohol on leased patio areas after 5:00 p.m. on weekdays and after 12:00 PM on Saturday and Sunday.

When participating in study/travel abroad programs, students are expected to abide by the legal drinking age and/or applicable laws in the country(ies) where they study/travel.

Individual and Organizational Regulations

1. Alcohol and Other Drug Misuse:

- a. Use of alcohol/or other drugs that results in behaviors, physical signs, and medical consequences, including but not limited to: staggering, difficulty standing or walking, slurred speech, passing out, blackouts (loss of memory),

vomiting, retching, bloodshot and/or glassy eyes, strong odor of alcohol and/or other drugs, physical injuries, or other medical problems.

b. A pattern of recurring episodes of alcohol and/or other drug-related violations of the SCC.

c. Use of alcohol and/or other drugs in association with inappropriate behavior including/but not limited to:

Harassment

Threatening Behavior

Destruction or Defacement of Property or Grounds

Failure to Comply with the Directions of University Officials

Any other behavior that violates the Undergraduate SCC

2. Assisting or Encouraging Underage Possession, Purchase, or Consumption of Alcoholic Beverages: Helping or actively encouraging another person to engage in violations of University's Undergraduate Alcohol and Other Drug Policy. The student is also responsible for misconduct if they permit underage alcohol use within their residence hall room or off-campus residence, or otherwise provide a setting that allows for the underage consumption of alcohol.

3. Open Containers: Possessing an Alcoholic Beverage in open containers outside Designated Areas. Residents and their guests are not allowed to carry primary or secondary open containers of alcohol to or from suite/floor lounges at any time.

4. Public Consumption: Consumption of Alcoholic Beverages, on or off-campus, in a place which is generally viewable to the public or other students, unless the consumption is permitted as part of a registered event or approved special event (e.g., approved tailgating area).

5. Possession of Prohibited Form of Alcohol: When possession of alcoholic beverages is permitted on-campus, such possession is limited to Alcoholic Beverages with 16% or less alcohol by volume (ABV).

6. Driving While Impaired and/or Driving Under the Influence: Because of the danger that drivers under the influence pose to themselves and to others, the operation of a vehicle while under the influence of alcohol or other drugs is prohibited. For purposes of this policy, "driving under the influence" is defined as a situation in which the operator of any motorized vehicle is determined by admission, by testing for blood alcohol content, or by commonly accepted behavioral observations (e.g., slurred speech, staggering, etc.), to be driving such vehicle after having consumed Alcoholic Beverages or ingested other Drugs or legally controlled substances to a degree that has altered, inhibited, or impaired the student's ability to think and/or act.

7. Underage Purchase or Attempt to Purchase Alcohol: No student under the age of 21 may purchase or attempt to purchase Alcoholic Beverages.

8. Underage Possession and/or Consumption of Alcohol: No student under the age of 21 may possess or consume Alcoholic Beverages. Additionally, no student under the age of 21 may possess empty primary alcohol containers.

9. Sale of Alcoholic Beverages: The sale of Alcoholic Beverages except for sales by University-approved licensed vendors.

10. Use, Possession, Sale, Manufacture, Distribution, or Display of Controlled, Illegal or Prohibited Substances and/or Paraphernalia: Any possession, use, sale, manufacture, distribution, or display of controlled, prohibited, or illegal substances and/or Paraphernalia. The use of (or intent to use) substances for purposes or in manners not as directed. Cannabis is prohibited, including any cannabis product or products that contain any amounts of any form of THC, including edibles, alternative cannabis products (i.e. tinctures, lotions/balms/transdermal patches, concentrates, etc.), vapes for use with cannabis oils, etc. If University officials respond to the smell of cannabis, the University may proceed with a conduct process and determine, based on the totality of the information, that it is more likely than not the substance is cannabis, and thus is prohibited. The factors to be considered include but are not limited to: the smell of cannabis, the presence of paraphernalia related to cannabis use (water bongs, grinders, pipes), behaviors indicative of cannabis/THC intoxication, and any applicable packing or testing.

11. Use of Common Source Containers: The use of common source containers except by University-approved licensed vendors or during events pursuant to University Athletics policies.

12. Drinking Practices or Games that Promote Misuse of Alcohol: Active participation in games and activities that promote high-risk drinking or rapid alcohol consumption. This includes, but is not limited to, flip-cup, pong (including "water pong"), quarters, split-a-bottle, Edward 40-hands, shot-gunning, shots, consuming a minimum volume of alcohol within a set time period, and chugging.

13. Unauthorized Containers or Paraphernalia: Beer bongs, funnels, or any other paraphernalia which encourage or support alcohol misuse are prohibited.

14. Advertising, Referencing or Promoting Alcoholic Beverages, Drug Use, or Bars/Taverns: No reference to alcoholic beverages, illegal drug use or off-campus bars/taverns may appear on any poster, sign, flier, or social media posting (except programming/prevention messaging from approved offices within University departments). This includes, but is not limited to, College Night, Drink Specials, BYOB or Your Favorite Beverage. Student organizations or student initiatives that involve election campaigns are also not allowed to reference

alcoholic beverages or off-campus bars/taverns as part of election marketing.

15. Social-Hosting Regulations: Student organizations hosting social functions where alcohol is consumed must abide by all University regulations and applicable laws. Such groups are responsible for managing their social functions in a manner consistent with this policy. For the purposes of this policy, this includes registered student organizations and other informal groups of students hosting social events.

- Persons of legal drinking age may consume alcoholic beverages at social functions registered in accordance with this policy. Attendance at such functions is limited to Wake Forest University students and their invited guests.
- Hosts will verify by checking government-issued identification that individuals who consume alcoholic beverages at a social function are at least 21 years of age. Acceptable forms of identification are valid forms of: Driver's License, State Issued Identification, Passport, or Military Identification.
- Hosts must prominently display information regarding North Carolina state law regarding alcohol use.
- No alcohol is permitted at formal recruitment functions.
- Groups holding social functions at any off-campus location where alcohol is available must abide by all applicable laws and be aware that their organization represents Wake Forest University. The group may be held accountable for its actions and the actions of its members through the University judicial process.
- Alcoholic beverages may not be stored/held in lounges at any time other than during an officially registered social function.
- Alcoholic beverages for social events sponsored by student organizations may not be purchased with Student Activity Fee (SAF) or Student Budget Advisory Committee (SBAC) funds. Student Government and Student Union may utilize SBAC funding to purchase alcohol for Campus-wide events in accordance with University event planning guidelines for undergraduate organizations.
- All social function hosts are responsible for knowing and following the Guidelines for Hosting Social Functions.

Administration of the Policy

- The Alcohol and Other Drugs Coalition reviews the University Undergraduate Alcohol Policy and related procedures no less than on a biennial basis. The Alcohol and Other Drugs Coalition reports its

findings and makes recommendations to the Vice President for Campus Life.

- The implementation and enforcement of the University Undergraduate Alcohol Policy is under the direction of the Vice President for Campus Life.
- Reported or suspected violations of the University Undergraduate Alcohol Policy will be addressed in accordance with the SCC.

Definition of Terms

- Alcoholic Beverage: Any liquid containing at least one-half percent (0.5%) alcohol by volume, including beer, wine, malt beverages, liquor, or mixed drinks.
- Alcohol Paraphernalia: Any material, product, instrument, or item used to create, distribute, manufacture, use, conceal, or ingest alcohol.
- Bar/Tavern: An establishment for the sale of beer and other drinks to be consumed on the premises, sometimes also serving food for which >50% of revenue comes from the sale of alcohol.
- BYOB: A social event where individuals bring their own Alcoholic Beverage. If an event is designated as "BYOB," collective purchasing of alcohol (by members or non-members of the sponsoring organizations) is prohibited.
- Common Source Containers: Kegs, coolers, and similar containers of Alcoholic Beverages intended to serve as a source of such beverages for multiple persons at a party or other gathering.
- Designated Areas: locations on the Reynolda campus where Students, Student Organizations, and their guests of legal age may consume Alcoholic Beverages. The following are Designated Areas: residential living spaces within residence halls, leased lounges, independent lounges, common spaces in apartment-style living suites, Shorty's, Zick's, and at special event venues during Registered events.
- Distribution: "Sharing" or providing access to alcohol or other drugs. It does not require the exchange of money, goods, or services.
- Drug: A chemical substance used in the treatment, cure, prevention, or diagnosis of disease or used to otherwise enhance physical or mental well-being; a habit-forming medicinal or illicit substance, especially a narcotic.
- Drug Paraphernalia: Any material, product, instrument, or item used to create, manufacture, distribute, use (ingesting, inhaling, or otherwise introducing any drug into the body), conceal, or otherwise manipulate any drug and includes, but is not limited to, hypodermic needles, syringes, bongs, vaporizers, or pipes.
- Possession: Transportation, ownership, control, or consumption of an Alcoholic Beverage or Drug. Students are presumed more likely than not to be in possession if the item is found in their room, vehicle, belongings, or other space within their direct or

- indirect control. More than one individual may have possession of an Alcoholic Beverage or Drug.
- Primary Container: The original packaging (including cans, bottles, boxes, or other packaging) in which an Alcoholic Beverage is distributed by the manufacturer.
- Registered: Any social event that has been approved and recorded by the Office of Student Engagement, or other appropriate office.
- Secondary Container: Any device into which an Alcoholic Beverage has been transferred from its primary container. Also, any cup or container used to conceal the identity of the Alcoholic Beverage (such as a Koozie).

Proactive Medical Support Policy for Undergraduate Students

Wake Forest is committed to the safety and wellbeing of its students. The University encourages and expects students who are concerned about their own health or the health of another student due to alcohol and/or drug use to proactively seek medical support. The University recognizes the potential for a conduct action by the Office of the Dean of Students may deter students from seeking medical assistance, and this Proactive Medical Support Policy is intended to eliminate that barrier.

This Proactive Medical Support Policy applies to:

- Students who proactively seek medical support for themselves due to use of alcohol and/or other drugs,
- Students who proactively seek medical support for another person due to that person's use of alcohol and/or other drugs, and
- Student organizations seeking medical assistance for their members or guests due to the member(s)' or guest(s)'s use of alcohol and/or other drugs.

Individual: Students will be eligible for Proactive Medical Support when it is determined they proactively sought medical assistance for themselves or if others sought medical assistance for them in a proactive manner related to the use of alcohol and/or other drugs. The term "proactive manner" means a student would seek out the assistance of law enforcement or medical personnel (examples include a Winston-Salem or University Police Officer or a member of the Wake Forest University Emergency Medical Services staff) or residence hall staff member (examples include a Graduate Hall Director or Resident Adviser) trained student staff (examples include an Event Resource Manager or Deacon Patrol member), or using a specific university resource (such as Deacon Health Service or calling 911). A student who is seeking Proactive Medical Support for themselves will be required to comply with recommendations of the Office of the Dean of Students. Recommendations may consist of, but not be limited to, the following:

- Educationally-focused outcomes:
 - Referral to an Alcohol and Other Drug Counselor for an alcohol or other drug assessment
 - Educational opportunities to assist in avoiding future high-risk situations
 - Online or in-person educational programs, such as AlcoholEDU, BASICS, or similar
- Prevention-based outcomes:
 - A period of warning or probation

- Restorative and community-focused outcomes:
 - Apology letter
 - Residence Hall programming and/or educational efforts

If the student satisfactorily completes the process through the Office of the Dean of Students, allegations, findings, and outcomes will not be reported externally to graduate or professional schools or on background checks. In addition, Proactive Medical Support will not be granted to students needing medical assistance who refuse to cooperate with medical providers, law enforcement, or University personnel at the time medical assistance is sought.

Students who seek medical assistance for another person experiencing an alcohol or other drug related emergency may also be granted Proactive Medical Support, in support of their help-seeking behaviors. Outcomes may include the same outcomes noted above.

Organizational: Student organizations may be eligible for Proactive Medical Support when it is determined that they sought medical assistance for members and guests in a proactive manner related to the use of alcohol and/or other drugs. The term "proactive manner" means that the student organization would seek out the assistance of law enforcement or medical personnel (examples include a Winston-Salem or University Police Officer or a member of the Wake Forest University Emergency Medical Services staff) or residence hall staff member (examples include a Graduate Hall Director or Resident Advisor) trained student staff (examples include an Event Resource Manager or Deacon Patrol member), or using a specific university resource (such as Student Health Service or calling 911). A student organization seeking Proactive Medical Support will be required to comply with recommendations of the Office of the Dean of Students in order to be granted the amnesty. Failure to seek medical assistance may result in disciplinary action against the student organization and/or its members. The student organization seeking medical attention for another person will not receive charges related to alcohol and other drugs by the Dean of Students or his/her designee, provided the student organization and/or its members complete any educational recommendations assigned by the Office of the Dean of Students. The Office of The Dean of Students reserves the right to notify the Inter/national headquarters of recognized student organizations, even when amnesty is given. Failure to comply with the recommendation(s) may result in alcohol and/or drug violations under the Code of Conduct.

Individual students or organizations that actively seek immediate medical assistance for another person may still receive Proactive Medical Support regardless of the compliance of the individual for whom medical assistance was sought.

If a student and/or a student organization received Proactive Medical Support for a prior incident or has prior alcohol or other drug conduct cases, the availability of amnesty is at the discretion of the Office of the Dean of Students. Proactive Medical Support applies only to alcohol and other drug violations under the SCC and does not eliminate the possibility that other allegations may be made to address other prohibited conduct such as but not limited to, assault, property damage, or distribution of illegal or illicit substances.

This policy applies only to those students or student organizations seeking medical assistance due to alcohol or other drug use and does not apply when the individual in need of medical assistance is found by University employees, including Resident Advisers.

University Policy On Demonstrations, Chalking, And Posting

Wake Forest University has a policy on demonstrations, chalking, and posting. See the entire policy in the University's Policy Library, <https://policy.wfu.edu/demonstrations-chalking-and-posting-policy/>.

Summary of Computing Rights and Responsibilities

The policy applies to all computer and computer communication facilities owned, leased, operated, or contracted by the University. This includes, but is not limited to, tablets, personal computers, laptops, smart phones, computer networks, computer peripherals, and software, whether used for academic, administration, research or other purposes. This also includes use of University data or access to computer systems by personal devices such as computers, tablets, and smart phones by faculty, staff, students and guests. The policy extends to any use of University facilities to access computers elsewhere.

Wake Forest University provides each of its students and faculty with an email account. Outside of the classroom, email is an important means of communication between faculty, staff, and students. It is the responsibility of the student to regularly monitor his or her Wake Forest email account for University communications.

Basic Principles. The University's computing resources are for administrative, instructional, educational, and research use by the students, faculty, staff, vendors and contractors of Wake Forest University. Ethical standards which apply to other University activities (Honor Code, Social Regulations and Policies, and all local, state, and federal laws) apply equally to use of University computing resources.

As in all aspects of University life, users of the University's computing resources should act honorably and in a manner consistent with ordinary ethical obligations. Cheating, stealing, making false or deceiving statements, plagiarism, vandalism, and harassment are just as wrong in the context of computing resources as they are in all other domains.

Use of campus resources is restricted to authorized users. For the purposes of the Policy on Ethical and Responsible Use of Computing Resources, an "authorized user" is defined as an individual who has been assigned a login ID and authentication credentials such as a password for use of computing resources. Authorized users are responsible for the proper use of the accounts assigned to them under their login ID and authentication credentials. Users are also responsible for reporting any activities which they believe to be in violation of this policy, just as students are responsible for reporting Honor Code violations.

Use of these resources must be done:

- *In a manner consistent with the terms under which they were granted access*
- *In a way that respects the rights and privacy of other users; so as not to interfere with or violate the normal, appropriate use of these resources; and*
- *In a responsible manner and consistent with University policies and the workplace and educational environment.*

For faculty, staff, vendors, contractors, and other non-students, limited personal use of University issued computing resources is authorized so long as it does not impact University computers, network, or interfere with

work related activities and is not prohibited by this or other University policies.

For students, personal activity is allowed as long as it does not interfere with other University computers or network bandwidth and is not prohibited by this or other University policies.

Systems Monitoring. This statement serves as notice to all users of campus computing resources that regular monitoring of system activities occurs and users should have no expectation of privacy while on the WFU network or computer systems. Only people engaged in supporting University computing resources are authorized to perform monitoring of systems and only for systems under their control.

Policy Violations. Suspected violation of this policy will be handled through the appropriate University process or office, such as administrative procedures, The Honor and Ethics Council, the Graduate Council, Dean's office, or Human Resources.

Violation of this policy may result in one or more of the following, in addition to any other actions deemed appropriate by the applicable authority:

- *Suspension of one's ability to perform interactive logins on relevant machines on campus.*
- *Suspension of one's ability to use the University's computing resources.*
- *Suspension of one's ability to send or receive email.*
- *Increased monitoring of further computer activity (beyond normal systems monitoring).*

Locating Computing Policy Information and Policy Updates. The above summary is based on the "Policy on Ethical and Responsible Use of Computing Resources". This policy and others may be updated and revised from time to time without prior notice.

Global Campus Programs

The Global Campus Programs (GCP) team is responsible for the planning, design, and implementation of programs focused on building a global campus community. The GCP team is both proactive and responsive to developing collaborative programming based on the needs of students, faculty, staff, and campus partners with the goal of enhancing global mindsets. Hallmark programs include Global Laureates Academy (<https://global.wfu.edu/global-laureates-academy/>) and the WISE Conference (<https://global.wfu.edu/global-campus/wise-conference/>) for faculty, staff, and students.

Center for Immigration Services & Support (ISS)

The Center for Immigration Services & Support (ISS) (<https://global.wfu.edu/iss/>) provides visa processing and immigration support to international students, faculty, and staff during their time at Wake Forest and beyond. Through maintaining compliance with immigration regulations and accurate reporting to several federal government agencies, the ISS team ensures Wake Forest can continue to host international students, faculty, and staff on its campuses. The ISS staff are the only Designated School Officials (DSO) for Wake Forest University, meaning we are your resources for all immigration-related guidance. ISS organizes many activities to build community and strengthen the sense of belonging for the international population. We also host several immigration information sessions throughout the year to educate campus stakeholders on various processes and procedures. The experts in ISS advocate for services that will enhance the experience of our international population on campus. You may contact ISS by email at iss@wfu.edu.

Center for Research on Abroad and International Student Engagement (RAISE)

The RAISE Center (<https://raisecenter.wfu.edu/>) seeks to understand and enhance the experiences, engagement, and development of abroad and international students. Composed of researchers across multiple institutions, the RAISE Center provides the following opportunities for WFU faculty, staff, and students to engage in research and practice in international education:

- Research on International Student Engagement (<https://raisecenter.wfu.edu/projects/project-rise/>) (Project RISE)
- Academic Research on Education Abroad (<https://raisecenter.wfu.edu/projects/area-database/>) (AREA) Database
- Global Accelerator Program (<https://global.wfu.edu/global-outreach/wfugap/>) provides faculty cross-cultural teaching opportunities in China

Information Systems

The Office of Information Systems (<https://is.wfu.edu/>) (IS) provides modern technology services for the unique academic, research and administrative needs of Wake Forest University (WFU) students, faculty and staff. The IS mission is to empower the WFU campus community in the use of information and digital technologies to further intellectual exploration, informed institutional decisions, and the creation and dissemination of knowledge. Driven by the core values of innovation, collaboration, and leadership, IS partners with the campus community to discover effective technology solutions which support Wake Forest as a vibrant place of learning and discovery.

Wake Forest employs a single sign-on approach for most university systems and logins. When a student is enrolled, and for the duration of their studies, they are provided with an @wfu.edu student account which provides access to Wake Forest's Google Workspace environment (WFU Mail, Docs, Sheets, Forms, Chat, Slides, Calendar and more), software licensing including Microsoft365 and Adobe Creative Cloud apps (Adobe Photoshop, Illustrator, Indesign, Premiere), the Workday student information system (advising, registration, degree planning and financial aid), Canvas and other instructional systems, and many other campus administrative sites and services. A self-service platform for password activation, resets and other needs for the WFU account is provided at account.wfu.edu (<https://account.wfu.edu/pwm/public/>).

For computing, most Wake Forest students, faculty and staff favor laptops for flexibility and mobility. The campus wireless network is likewise extensive and carefully maintained. Coverage extends to most buildings on campus, as well as numerous outdoor spaces (<https://help.wfu.edu/support/solutions/articles/13000199161-outdoor-wireless-on-reynolda-campus/>) to support learning and work in the natural surroundings. Through its designation as an eduroam partner site (<https://incommon.org/eduroam/eduroam-u-s-locator-map/>), Wake Forest extends connectivity to thousands of university and other partner campus networks nation- and worldwide.

The Bridge IT support desk (<https://is.wfu.edu/services/service-desk/>) provides walk-in technology support for the campus community and is centrally located in the ZSR library. In addition to general IT

consultation, support and guidance, The Bridge is also an authorized Apple, Dell, Lenovo ThinkPad, and Microsoft Surface service center. The Bridge offers flexible routes for seeking IT help, with extended walk-in hours, chat support, phone support (758-HELP), and a knowledge library of IT solution articles (<https://help.wfu.edu/>). Additionally, simple video capture and green screen is available to students in the One Button Studio (<https://is.wfu.edu/services/one-button-studio/>), a fully automated video production facility in The Bridge.

To support their studies and modern campus needs, all Wake Forest undergraduate students are required to have a laptop meeting core minimum requirements (<https://help.wfu.edu/support/solutions/articles/13000010300-bring-your-own-device-byod-requirements/>). While some students bring their own laptop, many opt to purchase through the University's WakeWare (<http://wakeware.wfu.edu/>) official laptop program. WakeWare laptops include full on-campus repairs onsite at The Bridge (<https://is.wfu.edu/services/service-desk/>) and four years of extended warranty and damage protection. During times of repair, loaners are provided to students to minimize disruption to their studies. Undergraduate students receiving institutional aid qualify for a grant to cover the full cost of the WakeWare Standard computer and have two years to redeem their grant.

Digital Accessibility is prioritized through the IS Technology Accessibility Program. In addition to guiding campus with awareness on digital accessibility best practices, IS employs accessibility reviews for university software purchasing, and promotes accessibility of university digital resources through various partnerships and advocacy efforts within and beyond campus.

For some academic programs and courses, students learn necessary skills in powerful software programs such as AutoCAD and COMSOL. Access to these applications is provided to students in a virtualized desktop environment. For advanced processing needs, such as some modeling or analytics exercises, students have access to the WFU Distributed Environment for Academic Computing (DEAC) cluster, a Linux-based High Performance Computing cluster. The DEAC cluster provides supercomputing services for academic research and coursework and are available to students 24 hours a day through connections over the campus network.

Wake Forest leverages the Workday Student platform for campus student information system functions, and the modern and integrated system supports many steps in the student academic journey, including enrollment, advising, registration, student financials and academic records.

The Wake Forest WakerSpace (<https://wakerspace.wfu.edu/>) is a student-staffed maker facility for student skill-building, creativity and making. Students have access to explore various maker and creative projects using 3D printers, laser cutters, woodworking, soldering, podcasting, knitting, and sewing, with workshops and interest groups holding sessions in the space throughout the year. With academic and extra-curricular programming, and with a creative community of students, faculty and staff alike, the WakerSpace serves a broad range of interests across campus.

Students have access to IS-supported cable television and streaming services. All residence hall rooms are equipped with cable TV connections and/or the ability to stream cable TV. Available to students on- and off-campus, Cable and streaming services (<https://is.wfu.edu/services/stream2/>) provide access to on demand and scheduled cable network programming as well as local campus information channels

and recording storage for every account. Student gaming and other entertainment devices are permitted and may be networked through a special wireless service specifically reserved for these more non-standard devices.

Wake Forest cybersecurity strategy (<https://infosec.wfu.edu>) is multi-pronged, with technical controls, policy (<https://policy.wfu.edu/>) and community awareness layers. Campus awareness and guidance around good cybersecurity practices are prioritized in annual programming. An annual student-focused cybersecurity awareness month, required faculty and staff training, as well as outreach and workshops targeted for unique needs of campus audiences all seek to increase campus awareness and efficacy in good information security practices.

Numerous student employment opportunities are available to students with an interest in technology and higher education, and IS offers positions for a variety of interests including technology support, digital literacy and the WakerSpace. IS consults a student advisory body regularly to seek guidance on various initiatives.

Students also have access to additional computing resources outside the University. Wake Forest is a member of:

- The Inter-University Consortium for Political and Social Research (ICPSR) (<https://www.icpsr.umich.edu/web/pages/>), located at the University of Michigan. Membership in ICPSR provides students and faculty with access to a large library of data files, including public opinion surveys, cross-cultural data, financial data, and complete census data.
- EDUCAUSE (<https://educause.edu>), a national consortium of colleges and universities concerned with computing issues.
- Eduroam, a global wireless network access service, available on thousands of partner campuses (<https://incommon.org/eduroam/eduroam-u-s-locator-map/>) for research and education, accessed using one's home institution credentials (WFU account login).

Libraries Overview

The libraries of Wake Forest University support instruction and research at the undergraduate level and in the disciplines awarding graduate degrees. The libraries of the University hold membership in the Association of Southeastern Research Libraries.

The Wake Forest University libraries include: the Z. Smith Reynolds (ZSR) Library (<https://zsr.wfu.edu/>), located on the Reynolda Campus, supporting the undergraduate College, the Wake Forest School of Business, the Graduate School of Arts and Sciences, the School of Divinity, and the School of Professional Studies; the Law Library (<http://library.law.wfu.edu/>), housed in the Worrell Professional Center on the Reynolda Campus, serving the School of Law; and the Coy C. Carpenter Library (<https://school.wakehealth.edu/Carpenter-Library/>) serving the Wake Forest School of Medicine and is located on the Bowman Gray Campus.

Collections

The three library collections total over 2.8 million titles, including over 1.8 million e-books, more than 150,000 electronic journals and over 15,000 DVDs as well as streaming media and other formats. The Law Library holds over 45,000 volumes and the Coy C. Carpenter Library holds over 35,000 volumes. The ZSR Library and the Law Library serve as selective federal depositories as a part of the Federal Depository Library

Program. The three libraries share an online search portal, which provides access to books, electronic resources, journals and databases. Through our interlibrary loan service (<https://zsr.wfu.edu/delivers/ill/>), students, faculty and staff may obtain materials from other libraries at no charge.

Z. Smith Reynolds Library

The Z. Smith Reynolds Library (ZSR) provides comprehensive reference and research services (<https://zsr.wfu.edu/research/>) in-person and online. Research Librarians work with individual classes across the disciplines on research papers and library users can request personal research sessions (<https://zsr.wfu.edu/research/support/sessions/>) with Research Librarians at all phases of their research process. Library faculty also teach elective courses in the fundamentals of research and information literacy and upper-level courses geared towards research in the disciplines and special topics in information. The Digital Initiatives & Scholarly Communication (<https://zsr.wfu.edu/digital-scholarship/>) librarians support faculty scholarship and student digital project coursework through consulting and instruction on tools, methodologies, project management, digital publishing, open education, data management, copyright, and open access.

Special Collections & Archives (SCA) (<https://zsr.wfu.edu/special/about/>) serves as a research repository for rare, unique, and primary source materials in the Z. Smith Reynolds Library, including nearly 80,000 volumes and 15,000 linear ft. of collections. SCA acquires, preserves, and provides access to a wide range of primary research materials in their original formats, and in particular, seeks to better document underrepresented communities on campus. Major collections include the Baptist Historical Collection of North Carolina, Manuscripts, the Rare Book Collection, and the University Archives (<https://zsr.wfu.edu/special/collections/archives/>). SCA has a major outreach program offering events and presentations and also frequently hosts Wake Forest faculty and their classes. All are welcome to use the collections, a selection of which are available online in SCA Digital Collections (<https://zsr.wfu.edu/special/collections/digital/>), which currently numbers over 245,000 items. Please contact archives@wfu.edu for access to the collections by appointment or to submit a specific question.

Spaces

The Z. Smith Reynolds library has group study rooms equipped with large screen monitors and individual study carrels that can be booked online (<https://wfu.libcal.com/reserve/>). Windows PCs, Macintosh computers, and media viewing stations are available for public use. Multimedia equipment, Chromebooks, tablets, and other technology devices may be reserved for checkout. Reference (<https://zsr.wfu.edu/research/support/>) and online chat (<https://zsr.wfu.edu/chat/>) are available to help library visitors to find resources and research assistance. The library has a 118-seat auditorium that is available for use by Wake Forest community groups for programs, lectures, and film screenings.

ZSR houses The Bridge Service Desk (<https://is.wfu.edu/services/service-desk/>), the Center for the Advancement of Teaching (<https://cat.wfu.edu/>), the Office of Online Education (<https://oe.wfu.edu/>), and The Writing Center (<http://writingcenter.wfu.edu/>). The Bridge provides hardware and software support for WFU students, faculty, and staff. The Center for the Advancement of Teaching is a resource center for Wake Forest faculty at all stages of their careers. The Office of Online Education is a resource for faculty interested in designing and delivering online learning experiences in the courses they teach. The Writing Center provides help to guide students through their writing process.

Access

ZSR Library is committed to creating an accessible, enriching, and welcoming community space for all. The library's hours vary by semester and can be found at <https://zsr.wfu.edu/calendar/>. Several large spaces are available via WFU Deacon OneCard entry even when the library is closed. These include over 200 seats of open study, reservable study rooms, vending machines, printers/copiers/scanners, and the library's bank of touchless smart lockers for pickup of requested materials. The Library also houses Smith's Cafe (<https://dining.wfu.edu/locations/smithscafe-zsr-library/>), our coffee shop. Check out the hours and events calendar (<https://zsr.wfu.edu/calendar/>) to stay up to date. See a full description of the ZSR Library resources and services at zsr.wfu.edu (<https://zsr.wfu.edu/>).

Bowman Gray Campus and Innovation Quarter

All faculty, staff and students in the Wake Forest University Graduate School of Arts and Sciences have full and unrestricted access to the Coy C. Carpenter Library of Wake Forest School of Medicine at its main facility on the first floor of the Gray Building. The Library is centrally located within the Wake Forest-affiliated hospital (Wake Forest Baptist Medical Center), and most of the resources are available online.

Transportation and Parking Services Motor Vehicle Registration and Fees

Anyone affiliated with the university as faculty, staff or student and wishes to park a vehicle in a university parking lot at any time of day or night, including after 4:00 p.m. weekdays, on weekends and during academic breaks, must register that vehicle with the Transportation and Parking Services office. Alumni and visitors coming to WFU more than once need to register their vehicle. For registration purposes, students, faculty, staff and alumni are defined as:

Student – Anyone enrolled in any class or program at Wake Forest University, including study-abroad programs. Unless formally withdrawn or graduated from the university, students are considered an active student.

Faculty – Assigned teaching responsibilities at Wake Forest University (Does not include students who are teaching assistants).

Staff – Non-faculty Wake Forest employee contracted to work on campus.

Alumni – Graduated from WFU and is not enrolled in a graduate program

Parking permits are not transferable from vehicle to vehicle or person to person.

A person may be asked to relinquish a permit due to a change in the permit holder's role at WFU or due to misuse of the permit.

Parking Options

- First-year students are required to register their vehicle and park off campus in Lot Z5 in the designated area.

- Sophomore students are required to register their vehicle and park off campus in Lot Z2, which is located on the north side of Polo Rd. Parking in the sophomore parking lot (Z2) is limited.
- Junior and senior resident students are required to register their vehicle.
- Commuting upper-class students are required to register their vehicle and have the option to park on campus (on-campus commuter permits are limited and sold on a first-come first-serve basis), off campus (Winston-Salem First and the designated lot in Reynolda Village). Commuting upper-class students may also purchase an evening permit. A waitlist will be available, if/when on-campus or Winston Salem First/Reynolda Village commuter permits sell out. If Transportation and Parking Services determines space is available in either of these areas at a later time. Additional permits may be offered to those on the waitlist, if your waitlist number is chosen. Students are encouraged to register for a permit, even if on the waitlist. There is no guarantee the waitlist will be honored.
- The evening parking permit is available to those who ride the shuttle to campus from apartment complexes or students who otherwise reside in off-campus housing and walk or bike to campus between 8:00 a.m. and 4:00 p.m., Monday-Friday.

Fees for parking options can be found online (<https://parking.wfu.edu/parking-info/student-parking-information/>) during the vehicle registration process. All permits can be ordered online (<https://wfuparking.t2hosted.com/Account/Portal/>).

Fines are assessed for violating parking regulations and range from \$25 to \$250. Visitors are subject to all parking rules and regulations (<https://parking.wfu.edu/policies-procedures-forms/>). Students are responsible for their visitors. Students will be held financially responsible for citation fines issued to vehicles driven by family members or by friends who use a Wake Forest student's vehicle. Visitors who plan to park on campus for more than one day require a visitor parking pass. Visitor parking passes can be obtained from the Transportation and Parking Services office.

The Transportation and Parking Services office is located in Alumni Hall, Suite 138. Office hours are 8:30 a.m. to 4:30 p.m., Monday through Thursday and 8:30 a.m. and 3:00 p.m. on Friday.

For more information call 336-758-PARK or email (parking@wfu.edu).

Alternative Transportation

Wake Forest Transportation and Parking Services adopted an app that it encourages all shuttle riders to download and begin using immediately. The app, Passio GO, is designed to make the shuttle service more convenient for all riders. More information about our shuttles can be found online (<https://parking.wfu.edu/ride-the-wake/>).

Deacon's Downtown Shuttle

During the academic year, Deacons Downtown provides evening service beginning at 9:30 p.m. on Thursday. The last downtown pick up is between 1:30 a.m. and 1:45 p.m. Service stops at 2am.

Bicycle

To register your bicycle, go here (<https://parking.wfu.edu/alternative-modes-transportation/bicycle-resources/>).

Zipcar

Wake Forest offers a car-sharing program as an alternative to bringing your own car to campus. Zipcars are an affordable option that are

available by the hour or by the day. Cars are parked on campus near the first-year residence halls.

Student Health and Wellbeing

- Campus Recreation
- CARE Team
- Center for Learning, Access, and Student Success
- Chaplain's Office and Religious Life
- Deacon Health
- Office of Wellbeing

Campus Recreation

Campus Recreation

The Office of Campus Recreation seeks to enrich the quality of life for students, faculty, and staff by providing a broad program of sports, outdoor, and fitness activities for men and women of all ability levels. Such programs include intramural sports, club sports, Outdoor Pursuits, open recreation, group fitness, and personal training. Campus Recreation is also responsible for managing the Miller Fitness Center and all of the activities within Reynolds Gymnasium. Campus Recreation provides a healthy outlet for every student, and a convenient option for every staff and faculty member in a safe place where the whole person is central each and every day. In support of the gym and the University's extensive wellbeing center facilities, the University is introducing wellness center membership fees for some community members starting September 1. The wellness fee for full-time, Reynolda campus students will be \$150 per semester. Graduate students may opt to have the fee waived online through the Wake Information System (WIN). Graduate students who elect to opt out of the wellness fee will not have access to campus wellness, recreation and fitness facilities, equipment and related programs, including intramural sports and club sports.

The spouses and live-in partners of Wake Forest University students who have a wellness membership may purchase their own wellness center membership through Campus Recreation.

The Miller Fitness Center houses Campus Recreation's one large group fitness studio. The fitness studio is located on the 4th floor. The Miller Center has two gender-specific locker rooms, each has 12 day-use only lockers and one shower available.

Reynolds Gymnasium is the home of Campus Recreation as well as the Office of Wellbeing, Deacon Health, and the Varsity Athletics Gym. The newly renovated state of the art facility includes the following: Welcome Lobby Desk, Living Room lounge space, Indoor Swimming Pool and Whirlpool, Classrooms, 2 Multipurpose Activity Courts (MAC) with dasher boards and goals, Bouldering and Climbing Wall, 5 Cardio and Strength Training Fitness Spaces, and Locker Rooms.

The Sutton Center is an expansion of Reynolds Gymnasium. Opened in January, 2016 this expansion includes: two full sized gymnasiums with state of the art sound systems, Outdoor Pursuits retail and rental center, Two connector atriums with an abundance of natural light, digital signage, and lounge areas for student interactions. The gymnasiums are lined to accommodate basketball, volleyball and badminton but can be transformed to host receptions, unique competitions and other university & community events.

Intramural sports are competitions between students, faculty, and staff. With undergraduates and graduate students participating every year, competitive games of all levels are offered.

CARE Team

CARE Team

The Campus Assessment, Response, and Evaluation (CARE) Team specializes in listening, responding, and connecting. Members follow up with referred individuals to hear their stories, identify their needs, and connect them with the resources and interventions that best suit their individual circumstances and our community at large. We care about our fellow Deacons and want to ensure their safety, wellbeing, and success by providing this additional support.

In addition, the CARE Team also educates the campus community about how to identify distressing or concerning behaviors and how to promptly report those worries. To learn more about our community education opportunities available for student groups, faculty departments, or staff offices, visit the We Are Wake (<https://we.wfu.edu>) website.

The CARE Team is designed to facilitate the identification and management of, but not limited to, behaviors, stressors, and mental health concerns. These concerns may present special challenges to University students and the campus community, including faculty and staff, which may disrupt, impede, or interfere with the day-to-day functions of the identified student, community member, or the University. The CARE Team can follow up (directly or indirectly) with the persons who display behaviors of concern and connect them with appropriate resources as warranted.

The Team is composed of representatives from throughout the University who have specific expertise and professional training in assessing and intervening with individuals whose behaviors, current stressors, and general wellbeing need additional care and support.

The CARE Team is not tasked with responding to emergencies. If this is an emergency and you are in need of immediate assistance or consultation, contact WFU Police at 336.758.5911 or 911 from a campus phone.

Center for Learning, Access, and Student Success

Wake Forest is an equal access institution that admits qualified applicants without regard to disability. When a student with a disability is admitted, the University seeks to accommodate those needs that are determined to be reasonable and that do not compromise the integrity of the curriculum.

The Center for Learning, Access, and Student Success (CLASS) provides study skills training and counseling. Students can learn to read critically, take notes effectively, manage their time, improve their motivation, increase their reading speed, and prepare for tests. Assistance is provided through counseling and individual and group tutoring. Students with a wide range of learning and other documented disabilities may also receive academic support, training, and advocacy through the Center

for Learning, Access, and Student Success. Our hours of operation are Monday-Friday, 8:30am-5:00pm (excluding Holidays).

Students with a disability who require accommodations should submit a request and documentation to one of the individuals listed below, depending on the nature of the accommodation requested. The information a student provides will be treated confidentially and will be shared with other administrators or faculty members only to the extent necessary to reach decisions and take actions on requests for accommodations.

Please make an appointment at the Center for Learning, Access, and Student Success once you arrive on campus.

Additional information on disability services is available on the Center's website (<https://class.wfu.edu/>).

If an accommodation is granted, students are responsible for obtaining copies of the accommodation letter from the Center for Learning, Access, and Student Success and for delivering a copy of the letter to their professors at the beginning of each semester.

Chaplain's Office and Religious Life

The Office of the Chaplain and Religious Life seeks to support a diversity of beliefs through the multifaceted character of the chaplaincy and its relationship to some 16 religious life affiliates. The office acknowledges the importance of faith, both in our individual and collective lives, and strives to provide opportunities for members of the Wake Forest community to express and explore their faith in a supportive community. The core work of chaplaincy is rooted in the care of the whole person – body, soul and spirit. As such, a key aspect of our office is to make available pastoral care and advisement for any member of the Wake Forest community – students, staff, faculty, and alumni. This can happen through individual counsel, programming on critical spiritual themes, intervention in medical emergencies, mortality concerns and presiding at key life rituals.

The University Chaplains and Campus Ministers are available for pastoral counseling on a variety of issues. If ongoing counseling is deemed appropriate, referrals to clinically trained therapists in the University Counseling Center may be made.

Chaplains and Campus Ministers also offer spiritual direction or guidance to members of the Wake Forest community seeking to discern God's call in the midst of everyday life and assistance to persons wishing to grow

closer to God through disciplines such as prayer, spiritual reading, and meditation.

Location: Suite 8 Reynolda Hall
Phone: 336.758.5210

Office of Wellbeing

Office of Wellbeing

Thrive is a campus-wide initiative – owned by every member of the Wake Forest University community. The Office of Wellbeing leads the campus in making wellbeing a part of every experience in the lives of our students, faculty, and staff. Wellbeing is about much more than physical health. It includes the eight dimensions of wellbeing - emotional, environmental, financial, intellectual, occupational, physical, social, and spiritual.

Wake Forest created Thrive to give students, faculty, and staff, the skills, knowledge, and perspective to maintain a healthy, balanced life. Programs include monthly focus on specific dimensions, bystander interventions, dimension champion awards, Gold Apron cooking, WFU Certified Peer Education Program, mindfulness resources, Signs of Stress, and many other initiatives.

Deacon Health

Deacon Health

The mission of Deacon Health (DH) is to ***promote and advance the health and wellbeing for all students.*** A physician-directed medical staff offers primary care services, urgent care, illness care, physical examinations, counseling, limited psychiatric care, allergy injections, immunizations, radiology, gynecological services, pharmacy, laboratory, sports medicine clinic, referral to specialists, and medical information and vaccinations related to travel to international destinations.

Deacon Health Portal

Students can schedule most appointments online through the Deacon Health Portal (<https://wfu.studenthealthportal.com/PyramedPortal/>). The portal serves as a secure place to make appointments, view published labs, print off a copy of your immunization history on file, print receipts, and securely communicate with our clinic. Notifications of appointment reminders and secure messages from the clinic will be sent to your WFU email address. Students should book an appointment before coming to our clinic either through the Deacon Health Portal, or by contacting us at apptshs@wfu.edu or 336.758.5218. There will be a wait to see a medical provider if you come into the clinic without an appointment.

Medical Charges

For full-time Reynolda Campus students, there is no additional cost to be seen at Deacon Health. However, there may be some additional costs for specific treatments, labs, supplies and prescriptions unless you are on the Student Health Insurance Plan (Student Blue (<https://shi.wfu.edu/>)). Part-time students will be responsible for any charges incurred. In addition, there are discounted “fee-for-service” charges for medications, laboratory tests, observation care, procedures, and some supplies. Payment can be made via cash, check, Deacon OneCard, Student Blue Insurance (<https://shi.wfu.edu/>), or the charge can be transferred to the student’s account in Office of Financial and Accounting Services. Each student is given a copy of the medical charges incurred on the date of service which can be used for insurance filing. DH does not participate in nor file insurance claims on behalf of the patient.

Radiology

Through a partnership with Atrium Health/Wake Forest Baptist, DH offers on site X-rays. Through this arrangement, Atrium Health, Wake Forest Baptist will be able to bill your medical insurance for these services. All billing will be handled by Atrium Health/Wake Forest Baptist and the remaining portion after your insurance processes the claim will be your responsibility.

Confidentiality

Student medical records are confidential. Medical records and information contained in the records may be shared with therapists and physicians who are involved in the student’s care, and otherwise will not be released without the student’s permission except as allowed by law. Students who wish to have their medical records or information released to other parties should complete a release of information form at the time of each office visit or service.

Class Excuses

The faculty is responsible for excusing students from class. Consequently, DH does not issue excuse notes for students. Students who are evaluated at DH are encouraged to discuss their situations with their professors. A receipt documenting visits is available through the portal. Students may grant permission for Deacon Health to communicate to the Office of Academic Advising when prolonged illness or hospitalization occurs.

Student Insurance Program

Health insurance is required as a condition of enrollment for all degree-seeking* students at Wake Forest University. Students who demonstrate comparable coverage to WFU’s health insurance plan and meet our criteria may waive the coverage provided by WFU. *Specific information about the policy plan, process instructions and full information regarding eligibility can be found at shi.wfu.edu (<https://shi.wfu.edu/>).

Severe Weather

When the University is closed due to severe weather, DH may have limited staff and may be able to provide care only for injuries and urgent illnesses. Appointments may be rescheduled.

Retention of Medical Records

Student medical records are retained for 10 years after the last treatment, after which time they are destroyed. Immunization records are kept longer.

* For full-time Reynolda Campus students, there is no additional cost to be seen at Deacon Health. However, there may be some additional costs for specific treatments, labs, supplies and prescriptions unless you are on the Student Health Insurance Plan (Student Blue (<https://shi.wfu.edu/>)). Part-time students will be responsible for any charges incurred.

Deacon Health Information and Immunization Form

All new undergraduate and graduate students are required to be up to date with required vaccines. You and your healthcare physician need to complete the health information and immunization forms (HIIF) available in your Deacon Health Portal (<https://wfu.studenthealthportal.com/PyramedPortal/>). For steps to upload your documentation visit the Deacon Health website (<https://deaconhealth.wfu.edu/new-students/immunization-requirements/#20230414143115>).

Immunization Policy

North Carolina State Law (G.S. 130A-152) and Wake Forest University policy require documentation of certain immunizations for students attending Wake Forest. Students must submit certification of the immunizations set forth below or request and receive approval for a medical or religious exemption PRIOR TO REGISTRATION.

The statute applies to all students except the following:
Students residing off-campus and registering for any combination of:

- Off-campus courses
- Evening courses (classes beginning after 5 p.m.)
- Weekend courses
- No more than four day credit hours in on-campus courses

Read the complete immunization policy at go.wfu.edu/shs-vaccine/
(<https://go.wfu.edu/shs-vaccine/>)

University Counseling Center

University Counseling Center

The University Counseling Center, located in 118 Reynolda Hall (Reynolda Campus), provides short-term, time limited counseling and consultation to currently enrolled Reynolda Campus students. All services are confidential, and no fees are charged to students. The Center offers counseling for a variety of concerns including depression, anxiety, personal adjustment, disordered eating, managing stress, sexuality, and relationship issues. The Center is open Monday-Friday from 8:30 a.m. to 5 p.m. (excluding holidays). For more information or to schedule an appointment, call the center at 336.758.5273. More information is also available online (<http://counselingcenter.wfu.edu>). For life-threatening emergencies call 911 from a campus phone or 336.758.5911.

University Police and Safety Services

University Police

To report an emergency dial 911 (on-campus phone) or 336.758.5911.

The Student's Right-to-Know and Campus Security Act requires institutions of higher learning to issue an annual report describing campus security procedures, facilities, policies, crime prevention programs, statistics, and other information. The purpose of the report is to give individuals in the University community the information they need for their personal safety and security while on campus. A copy of this annual report is available online at www.wfu.edu/police (<http://www.wfu.edu/police/>). For further information regarding this policy, please call 336.758.3567.

Safety Services

If a safety escort is required after 3 a.m., one can be provided by calling University Police at 336.758.5911, calling 911 from a campus telephone, or utilizing one of the "call-box" telephones found around campus. The safety escort service is provided by either a police officer in a patrol car or a walking security officer. The timeliness of a safety escort's arrival is dependent on the availability of personnel and the number of high-priority calls to which they may already be committed.

Persons requiring ADA assistance or other special transportation needs that prohibit them from using one of the regular shuttle stops should

call University Police at 336.758.5911 (ext. 911 on campus) for alternate arrangements.

Wake Forest University provides a safety app, powered by LiveSafe that can be downloaded to your phone or tablet. LiveSafe is a free personal mobile application for Wake Forest University students, staff, and faculty to engage in a two-way conversation with WFU police. With LiveSafe, you can use your cell phone as a personal security device that allows direct access to police, 911 emergency services, emergency location sharing, information sharing with quick tips, and a peer-to-peer SafeWalk tool. Registration with a Wake Forest University email address is encouraged.

Features:

Summon Help – Trigger 911 or the WFU Police Department with the press of a button. Based on your cell phone signal and if your location services is enabled a GPS locator is activated during your call.

SafeWalk (a peer-to-peer tool) – Invite friends and family to temporarily follow your location on a real-time map. They will see your approximate location as you walk to your destination and will know when you get there safely.

Share information – Submit tips or reports about campus safety concerns and live chat with campus safety officials. You can attach a picture, video, or audio and even send it anonymously if you choose.

Access Campus Resources and Emergency Information – Access campus resources, emergency information, and important phone numbers.

THE SCHOOL OF PROFESSIONAL STUDIES

Mission

The mission of the SPS is to accelerate the professional growth of adult learners across their careers through accessible, flexible, and cutting edge educational experiences by leveraging our university's academic areas of excellence and external strategic partnerships.

Vision

The vision of SPS is to be the premier educational institution of choice for working professionals and leading organizations in Charlotte, Winston-Salem, and beyond.

In alignment with the Wake Forest University motto of Pro Humanitate, our values include a commitment to 1) being student focused in service to the learning and career needs of working professionals; 2) continual improvement that includes agility and innovation for excellence in learning and operational efficiency; 3) equity, inclusiveness, and diversity - enlarging access and valuing all members of our community; 4) ethics and transparency - leading with integrity and honor and with open communications; and 5) collaboration with community - focus on community needs to drive program development and student success, as well as on organizational partnerships essential to our success.

For details about the School of Professional Studies' program and course descriptions, faculty listing, and student policies, please visit the School of Professional Studies website at sps.wfu.edu (<http://sps.wfu.edu/>).

Communication (CMS)

CMS 710. Communications Today. (3 h)

Today's professionals encounter an increasingly complex organizational environment. The course introduces students to foundational concepts of the Information Economy, focusing on media's recent evolution and the impact of this digitization, including subsequent changes in the work environment and human interaction, 21st century literacies, and relevant theories to shed light on how to manage current and emerging social trends.

CMS 712. Communications Research. (3 h)

Strategic communicators understand that data is an essential basis for well-planned strategies. This course provides the knowledge of research design and data interpretation, helping communications professionals become proficient consumers and ethical producers of research-based arguments.

CMS 714. Digital Communications Engagement. (3 h)

In today's digital world, consumers of digital messaging are also producers of digital content. Today's professionals must not only keep up with the near-constant changes in media platforms but must use multiple channels to generate content and listen to users. This course helps build a foundation in current digital practices and emerging media technologies, including digital brand storytelling, content marketing strategy, social media marketing, influencer marketing, and search engine optimization (SEO).

CMS 720. Crisis and Issues Communications. (3 h)

Real and perceived threats can pose major challenges for organizations. These threats can range from attacks on an organization's reputation to managing the proliferation of misinformation communicated in both external and internal channels, inclusive of social media. This course provides the tools, approaches, and confidence to manage long-term challenges as part of crisis & issues management and public relations strategy.

CMS 722. Strategic Communications. (3 h)

Internal and external stakeholders expect greater transparency and responsiveness from organizational leaders today. This course emphasizes the practice of internal and external strategic communications through the analysis of case studies spanning corporate communications, public relations, marketing, and social media. This course examines real organizational challenges and students work to identify solutions.

CMS 724. Public Relations. (3 h)

Public relations (PR) professionals are increasingly tasked with building and maintaining multi-directional relationships with both internal and external key stakeholders. This course introduces practical approaches to communicating persuasively and building managing corporate reputation, driving awareness and affinity for the brand among a wide array of stakeholders.

CMS 730. Communications Leadership, Organizational Culture & Ethics. (3 h)

Most organizations have a mission or values statement. How many organizations are living it? This course helps identify leadership strategies for ensuring organizational strategies are aligned with the organization's mission and values and serve the broader goals of business and society. Learn more about the important role communications professionals have in influencing organizational cultures and engaging in corporate and social responsibility to build trust and make a positive, authentic impact. Effective leaders communicate consistently and in alignment with organizational missions that represent the highest ethical standards.

CMS 732. Leading through Intercultural Communications. (3 h)

Equitable practices foster trust and commitment to organizations and brands. Communication leaders must develop intercultural awareness and competence that reflect diversity of thought, culture, and experience. Learn how to assess and design inclusive communication strategies and put them into action.

CMS 750. Champion Corporate Branding. (3 h)

Companies with a strong brand purpose have stronger customer and employee loyalty. Is your company's brand strong? How can you start with the "why" of your brand rather than the "what" and "how" of a product line? In this course, you will learn to recognize strong brands and identify strategies for strengthening brand purpose.

CMS 799. Consultative Project. (3 h)

Learning is forged through application. This immersive course applies communications skills and knowledge through a hands-on consultative project. Students will develop a communications plan to solve a current real-world challenge for an existing company or organization.

Curriculum & Instruction (CUI)

CUI 710. Curriculum and Instruction Fundamentals. (3 h)

Curriculum and Instruction including theories, design principles, and evaluation models. The course will investigate the interaction of curriculum implementation and models of instruction in respect to student learning as well as how that curriculum is shaped, including curriculum literacy - the major input variables to curriculum decision-making, implementations, and curriculum evaluation.

CUI 712. Social Foundations of Education. (3 h)

A critical examination of the political, social, and economic goals of schooling and their intersection with educational equality and student diversity through the lens of educational philosophy and positionality with a view to developing a culturally responsive multicultural pedagogical praxis that enhances student success.

CUI 714. Assessment and Evaluation. (3 h)

This course is designed to introduce students to the variety of assessment and evaluation techniques and their purpose, including how these techniques are used in instructional planning, decision-making, and curriculum development.

CUI 720. Instructional Design and Digital Learning Technologies. (3 h)

A comprehensive exploration of instructional design frameworks, including best practices with design, development, and evaluation of these frames. Students will get to practice working in traditional instructional design frameworks (ADDIE, Gange's), more modern frameworks (Agile, SAM), along with collaborative frameworks (Co-Design, Design Justice). This course will provide an overview of the digital tools, techniques, opportunities and challenges associated with learning technologies and leading teams. The course will also introduce learning technology applications, provide tools to evaluate learning technology solutions and related multimedia learning design models, address digital accessibility, and engage in best instructional technology practices. The course provides the opportunity to explore various online learning tools and does not include in-depth training in any specific tool.

CUI 722. Differentiated Instruction. (3 h)

This course will focus on the practice of differentiating instruction as a way for educators to meet diverse learning needs and preferences without having to individualize instruction for every student. In this course, students learn how to differentiate five instructional elements—content, product, process, affect, and learning environment—according to students' interests, readiness, and learning profile. Using their classroom curriculum, they plan and implement differentiated lessons and align them to important learning goals, essential questions, and formative and summative assessments while ensuring that their instruction includes meaningful applications of knowledge. Students also learn how to draw on internal and external resources to support holistic learning processes.

CUI 724. Instructional Leadership. (3 h)

This course explores various strategies for instructional leadership, including coaching and mentoring, and their relationship to educational leadership and positive teaching and learning outcomes. The course will emphasize the skills to build productive relationships and effective mentoring among educators, and consensus-building among a course design team.

CUI 726. Curriculum Mapping for DEI. (3 h)

This course will focus on curriculum mapping, the practice of ensuring that teaching is structured in a meaningful and logical sequence to build knowledge and achieve desired curricular outcomes. This process includes charting and tracking academic program priorities and redundancies, and identifying educational gaps. Students will learn about long-term planning for vertical and comprehensive learning to proactively address learning gaps and misalignments. The course will also provide technical guides of a curriculum mapping process with a specific focus on diversity, equity, and inclusion, and outcomes.

CUI 799. Capstone in Education. (3 h)

Designed for all education students, this course aims to provide opportunities for students to gain real-world experience. Students will identify, analyze, and develop curricula or leadership theory and demonstrate effective practices by engaging one data point (i.e., student achievement). The capstone will also include examining the standards and exploring how to teach the standards. Additionally, students will have opportunities to put their knowledge into practice through professional shadowing and individual or group projects with key educational leaders. In this course, students will: Identify, analyze, and develop curricula and/or educational leadership theory and demonstrate effective practices by engaging one essential data point aimed at school improvement. Explain and demonstrate reflective practices to improve teaching for themselves and teacher leaders. Employ strategies, planning practices, assessment techniques, and appropriate accommodations to ensure student learning in a standards-based curriculum and communicate those plans to parents, guardians, professionals, administrators, and the community.

Digital Marketing (DMG)

DMG 710. Strategic Digital Marketing. (3 h)

This course covers fundamental principles and best practices of digital marketing strategies (e.g., positioning, pricing, etc.) and tactics (e.g., market research-derived segmentation and targeting, packaging, channel management, etc.). An emphasis is placed on marketing frameworks and concepts (e.g., marketing communications, brand management, marketing analytics, etc.). Cross-cultural awareness in digital marketing (e.g., the role of ethnicity and other demographic variables) will also be examined.

DMG 712. Digital Marketing Research, Journey Mapping, and Consumer Analytics. (3 h)

Robust knowledge of research methods is fundamental to the digital marketing discipline. This course teaches professionals how to use research techniques to deeply understand and focus on the needs and interests of the consumer in integrated campaigns.

DMG 714. Leadership, Ethics, and the Legal Landscape of Digital Marketing. (3 h)

This course covers the ethics of digital marketing and product liability, and it explores emerging issues related to the buying and selling of consumer data, the use of artificial intelligence (AI) to predict and influence human behavior, and other consumer privacy concerns.

DMG 720. Marketing Analytics and Data Visualization. (3 h)

This course covers best practices for gathering, interpreting, and presenting compelling digital data to inspire positive action.

DMG 722. Branding, Storytelling, and Writing Content for the Digital World. (3 h)

Many campaigns never make it to the market or fall flat in execution because a compelling "story" isn't being told in them. This course integrates brand management principles and marketing frameworks to guide digital storytelling that effectively engages consumers and other stakeholders.

DMG 724. Digital Design Thinking and the User Experience (UX). (3 h)

This course focuses on user-centered design (UCD) and associated methodologies, including user research, digitally-enabled user experience (UX), interaction design, and usability testing.

DMG 730. Digital Marketing Tools and Campaign Analytics: SEM, Display, and Retargeting. (3 h)

Given the dynamic nature of the marketplace and rapidly shifting consumer interests and behaviors, it is critical to have a deep understanding of the digital tools that can be employed to track such shifts and to communicate with consumers in impactful ways.

DMG 732. Social Media Marketing: SEO, Content and Influencers. (3 h)

Digital marketers must learn how to expertly leverage content in order to increase the attention consumers pay to their brands. This is an increasingly challenging task given the crowded marketplace and information overload that consumers face.

DMG 751. Website, Visual Content, and Video Development. (3 h)

Effective visual design and video production that leads to engaging user experiences require a unique set of skills and a deep understanding of consumer psychology. To help students enhance their ability to create effective designs and videos, this course will combine the highly creative and analytical sides of digital marketing in these domains.

DMG 752. Digital Consumer Psychology and Decision Making. (3 h)

This course will provide a deep dive into online and mobile consumer behavior and use an analytics-driven approach to explain why consumers look, pause, click, engage, and buy.

DMG 753. The Customer Journey: Website and eCommerce Marketing. (3 h)

In digital marketing, understanding the consumer journey is extremely important. To help students understand that journey and to design impactful digital pathways for it, this course will focus on website and eCommerce marketing strategies that increase customer demand and sales.

DMG 799. Digital Campaign Project/Capstone. (3 h)

This course will enable students to integrate the skills and knowledge that were developed in the other courses of the program to complete a digital marketing project for an organization.

Educational Leadership (EDL)

EDL 710. Foundations of Educational Leadership. (3 h)

Students will be introduced to foundational concepts and challenges of educational leadership. The course will include a focus on school-level leadership and accountability, roles and responsibilities, and the principles of educational leadership. This course is a prerequisite for all other courses.

EDL 714. Using Research and Data to Lead School Improvement. (3 h)

This course focuses on using data to enhance equitable decision-making processes for comprehensive school improvement, including instruction, school culture, and community involvement. Emphasis in the course will include use of assessment and research data to identify school improvement needs and to design projects that respond to those needs.

EDL 720. Education Law and Ethics. (3 h)

This course explores legal and ethical responsibilities of the school leader and implications of federal, state, and local education policies, including statutes, regulations, and risks. Course topics will emphasize regulations and responsibilities in areas such as special education, confidentiality, liability, due process, search and seizure, employment matters, and church/state conflicts.

EDL 722. Administration, Supervision, and Community. (3 h)

This course introduces students to organizational theories, the politics of education, and building safe, supportive, and inclusive environments in schools and communities. Students will be reflective of various administrative and organizational theories and how these concepts inform their practice as school leaders. The course will also focus on distributive leadership, developing skills for team management, and collaborative analysis of community building.

EDL 724. Human Resources and School Finance. (3 h)

Students will be introduced to the management of an organization's workforce planning through the design and implementation of effective human resources policies and procedures, as well as financial implications. This content includes processes and systems related to performance management, talent management, diversity, and employee wellness.

EDL 730. Internship: School Executive I (15 weeks). (3 h)

This course, part 1 of two courses, provides a practical introduction to executive school leadership by engaging in activities with school leaders. These two courses are composed of a two-semester internship in a public school setting in order to give students opportunities to learn in the field. The student's internship will be supervised jointly by school-based administrators and SPS academic director and will include a reflective evaluation. P-Completion of 12 hours of SPS coursework, including EDL 710, and with permission of the academic director.

EDL 732. Internship: School Executive II (15 weeks). (3 h)

This course, part 2 of two courses, builds on the skills of executive school leadership by engaging in activities with school leaders. These two courses are composed of a two-semester internship in a public school setting in order to give students opportunities to learn in the field. The student's internship will be supervised jointly by school-based administrators and SPS academic director and will include a reflective evaluation. P. Completion of 12 hours of SPS coursework, including EDL 730, and with permission of the Academic Director.

Enterprise Risk Management (ERM)

ERM 710. Enterprise Risk Management. (3 h)

Enterprise Risk Management (ERM) is an essential organizational feature that impacts an organization's ability to adapt and compete in a rapidly changing environment. Recognize key ERM concepts and management issues involved with assessing current and emerging risk environments in both the private and public sectors. Topics include: Strategic and reputational risk; The role and need for comprehensive assurance strategy and planning; Positioning organizations to manage cybersecurity, financial, environmental, social, and governance risks An overview of the system-wide ERM structure integrated with strategy, compliance, and governance; The social and behavioral impact on the workforce and its effect on productivity; and The organizational infrastructure relating to national, regional, and international compliance.

ERM 712. Risk Strategy and Compliance. (3 h)

Having strong risk strategy and compliance awareness are essential to overall organizational health. Identifying and understanding key regulatory risks and internal controls are essential elements of the ERM framework. Learn important concepts, tools, and skills such as: evaluating and executing risk assessment through analytical risk analysis techniques and simulations; designing an organizational global risk management plan; and implementing control measures to assess the plan's effectiveness. Examine legal/regulatory, auditing, and industry-specific requirements related to compliance as well as ERM's role in understanding the future regulatory environment.

ERM 714. Financial Risk Management. (3 h)

Managing financial risks is a chief concern for any organization. Learn how to identify, evaluate, and develop internal controls to manage financial risks in alignment with organizational strategy. Evaluate how organizations manage financial risk including credit, market, price, and liquidity risks. Identify and apply the tools and techniques for mitigating financial price risk, such as diversification, futures, options, and short selling as well as strategies for balance sheet, interest rate, and liquidity risk management. Explore the advantages and disadvantages of different financial risk management tools, and the link between financial and other risk types to ensure capital is available and accessible.

ERM 720. Decision Making for Enterprise Risk Management. (3 h)

Quality decision-making is essential to effective ERM and inevitably involves strategic choices. Learn how to navigate key ERM decisions in a dynamic risk environment. Learn key concepts and skills needed to improve risk-related business problem-solving and managerial decision-making through the use of quantitative and qualitative decision-making tools and techniques. The course covers key concepts and methodologies of the decision-making process, problem-solving, decision analysis, data collection, probability distribution, evaluation, and prediction methods. Students also learn how ERM professionals facilitate risk discussions with key internal and external stakeholders.

ERM 722. Sustainable Operations Risk Management. (3 h)

Organizations must address operational risks on an ongoing basis through ERM. ERM professionals must understand how organizations monitor, assess, and manage operational risks to support strategy and promote productivity and sustainability. Cover the central concepts of operational risk including risks related to business processes and execution, business continuity, environmental risk, social responsibility, internal and external fraud, financial reporting, third-party management, change management, human capital, supply chain, legal and governance risks. Learn key operational risk framework elements such as process mapping, risk identification, control documentation, and testing. The course covers core techniques for assessing, monitoring, and mitigating operational and sustainability risks.

ERM 724. Technology, Data, and Cyber Risk Management. (3 h)

Managing technology, data, and cyber risk is essential to navigating a rapidly evolving contemporary risk landscape and creating an effective ERM system. Explore how organizational responses to cyber security, data, and emerging technologies such as AI can help organizations avoid minefields and capture opportunities. Develop an understanding of how to navigate a complex environment with layered technology, data, and cyber risks. Apply analytical tools to policy problems created by the regulatory system, such as regulatory gaps between federal, state, and foreign governments. The course will also highlight how ERM professionals can elevate the visibility of important cyber, data, and technology needs within an organization.

ERM 730. Data Analytics and Risk Management. (3 h)

The effective utilization of data is a key competitive advantage for contemporary organizations. Explore the important connection between data analysis, ERM, and organizational strategy. Apply tools used by ERM professionals to analyze different types of data, employ data to support strategy, and create meaningful reporting for target audiences. Explore traditional and new sources of data, data governance, data quality, digital, legal, and ethical considerations, and challenges associated with forecasting in the context of risk and uncertainty.

ERM 732. Leadership and Risk Awareness. (3 h)

Successful leadership is a key component of ERM. Explore how to align ERM with organizational strategy and deploy leadership methods to promote a risk-aware culture. Successful risk leadership entails courageous, influential, and inclusive leadership. Explore how to effectively model and promote a risk-aware culture and engage in influential leadership aligning ERM with organizational strategy and purpose. Topics include leadership principles, styles, and frameworks; promoting a risk-aware culture; managing governance risks; motivating and directing teams; change management; advancing strategy with ERM; strategic communications; reputational stewardship; partnering; and stakeholder management.

ERM 750. Emergency and Crisis Management. (3 h)

Crisis and/or incident management is a key facet of ERM. Learn how crisis management and its lessons contribute to improving organizational performance on an ongoing basis. Focus on business decisions and management processes necessary to anticipate, plan for, manage, communicate about, and recover from crises affecting corporations and other complex organizations. It covers the key component steps for the development of a corporate Business Continuity Plan.

ERM 799. Capstone in Enterprise Risk Management. (3 h)

Ethical and Inclusive Leadership (EIL)

EIL 710. Moral and Ethical Dimensions of Inclusive Leadership. (3 h)

This course investigates current theories and knowledge about the moral and ethical dimensions of inclusive leadership, and explores related leadership strategies.

EIL 712. Decision Making and Conflict Management. (3 h)

Against a backdrop of major social, economic, and cultural transitions, leaders need a deeper understanding of ethical decision-making and effective conflict management. At the same time, leaders' decisions are often viewed from varied stakeholders' perspectives that are sometimes in tension with the leaders' views and aims. This course equips students with knowledge and skills for navigating complex (and sometimes contentious) organizational landscapes.

EIL 714. Shaping an Ethical and Inclusive Organization. (3 h)

What tools do leaders need to lead sustainable transformation in organizations? How do leaders implement strategies to enhance diversity, equity, and inclusion in their organizations? What leadership skills and qualities are important as leaders envision, implement, and assess organizational changes infused with inclusive ethical decision-making? This course explores these questions and equips learners to shape an ethical and inclusive organization.

Faith & Health Equity (FAH)

FAH 710. Faith and Health Equity: Integrative Paradigms. (3 h)

This course is an exploration of current theory and knowledge about the intersection of faith and health.

FAH 712. Social and Ecological Determinants of Health. (3 h)

This course introduces students to social and ecological determinants of health, including issues related to health that consider behavioral, psychological and structural factors in population health beyond the healthcare system.

FAH 714. Spirituality and Community Health. (3 h)

This course explores how health equities can be cultivated at the intersections of spirituality and health. Students will consider how health systems function as loci for understanding brokenness and cultivating shalom in community. Students will also have opportunities as multi-disciplinary professional teams to imagine how to utilize course content in responding to case scenarios. By engaging case scenarios in consultation with community leaders, local data, and faith-based initiatives, students will cultivate skills as collaborative community change agents. In this course, students will: explore systemic issues at the intersection of spirituality and health, conduct multi-professional team analyses of community health, engage and lead collaboratively to respond to community needs.

Financial Tech & Analytics (FTA)

FTA 710. Financial Analytics. (3 h)

A foundation for statistical techniques in business, economics, and finance as applied to management decision-making.

FTA 712. Data Management. (3 h)

An introduction to relational databases, data management, and data mining.

FTA 714. Visual Analytics and Influencing. (3 h)

A survey of data visualization methods, techniques, and tools to facilitate the understanding of complex data and models.

FTA 720. Financial Technology Today. (3 h)

An introduction to trends, innovations, and uncertainties in financial services.

FTA 722. Emerging Technologies. (3 h)

An overview of blockchain, cryptocurrencies, cybersecurity, robo-advising, lending and payment systems, and other emerging financial technologies. This course will be updated regularly to reflect the latest trends in the field.

FTA 724. Machine Learning and Artificial Intelligence. (3 h)

A survey of the foundations of machine learning, deep learning, and artificial intelligence. While learners will not engage in coding or the building of machine learning and AI tools, they will explore the application of these tools in finance.

FTA 730. Decision Making and Risk Management. (3 h)

A practical overview of making decisions in an uncertain business environment.

FTA 732. Managing Disruption and Innovation. (3 h)

An empowering course that highlights the forces of disruptive innovation in the finance industry.

FTA 751. Financial Markets and Institutions. (3 h)

An overview of the structure and functioning of US and international financial markets. Topics covered include banking theory, the roles of traditional and non-traditional financial intermediaries, the impact of securitization, international financial competition, financial system stability and financial regulation.

FTA 752. Emerging Applications and Entrepreneurship. (3 h)

A hands-on, case-study oriented immersion in how to build a business that involves financial technologies still on the horizon. Topics include opportunity identification, business model development, raising financing, building teams from the ground up, and nurturing new ventures. Learners will take an idea and explore how to successfully build a real product or service.

FTA 799. Capstone in Financial Technology and Analytics. (3 h)

An opportunity to integrate program content in a culminating experience that will enable an organization to advance its financial technology and analytical capabilities or enhance its fintech products/services.

Health Administration (HAD)

HAD 710. Principles of Health Systems Management. (3 h)

This course will explore how to manage an organization's workforce through the design and implementation of effective human resources policies and procedures. Examples include processes and systems related to performance management, talent management, diversity, and employee wellness. Leadership and change management processes will be explored from a human resource, marketing, and customer-related perspective.

HAD 720. Health Information Management Systems. (3 h)

A comprehensive introduction to various principles, tools, and concepts used to manage information within a healthcare environment. The course will explore the planning, evaluation, assessment, and accountability of quality service provisions, including the use of health data visualization to gain healthcare insights for decision-making.

HAD 722. Healthcare Policy, Law, and Ethics. (3 h)

This course will provide in-depth coverage of healthcare compliance programs and laws, progressing from the basics of a compliance program to specific issues facing the healthcare industry. The course is structured to include both a "compliance" and "legal" component for each module. The compliance portion of the course will focus on the seven elements of an effective compliance program, while the legal portion will cover selected laws impacting healthcare compliance. For example, HIPAA, the Stark Law, the Anti-Kickback Statute, and the federal False Claims Act.

HAD 730. Strategic Planning and Decision Making for Healthcare Leaders. (3 h)

This course examines the principles and applications of strategic visionary thinking and change management within healthcare organizations. A structured approach to managing strategically is explored, while assessing key features of the organization environments and competitive situations. Students will explore approaches to engaging in new healthcare services, how to offer them, and the processes for ensuring successful implementation.

HAD 799. Capstone in Health Admin. (3 h)

The capstone course aims to thread content learned throughout the program into a culminating capstone project. Students have the opportunity to apply theory to practice by using the knowledge and experiences gained from each course. The capstone project will aid students in demonstrating their leadership, strategic thinking, and decision-making ability when leading others. The project will focus on addressing a health-related issue while outlining a plan to implement and manage change using data.

Health Informatics (HIF)

HIF 710. Health Informatics Today. (3 h)

A comprehensive overview of health informatics concepts, techniques, and emerging trends with a leadership lens.

HIF 712. Population Health and the American Healthcare System. (3 h)

Overview of healthcare delivery in the United States and Population Health.

HIF 714. Digital Health. (3 h)

The advancement of informatics in healthcare has allowed a convergence of digital technologies to improve overall quality, cost, health services outcomes, and patient experiences. This course will explore the theory, applied practice, and impact of current and emerging digital health technologies such as wearables, mobile health and Internet of Things, as well as electronic health records and clinical documentation systems for all demographics.

HIF 720. Healthcare Data Analytics. (3 h)

A comprehensive introduction to the current state of the science and practice of analytics in healthcare, including how to “tell the story” the numbers present. Core competency skills are achieved using a variety of learning methods to help students apply analytic techniques supporting data mining, visualization and data driven decision making.

HIF 722. Healthcare Databases. (3 h)

An introduction to the theory and application of database management systems.

HIF 730. Health Information Regulation, Privacy, and Security. (3 h)

A foundational exposure to legal and ethical issues related to health information privacy and security and the basic technological considerations to meet professional obligations in health informatics practice.

HIF 732. Healthcare Leadership and Impact. (3 h)

This course will explore leadership, organizational structure, effective team functioning and provide students with an understanding of the importance of developing high-quality relationships, the impact of motivation, power, and influence, and principles of corporate ethics, and health equity in healthcare. Students will identify and apply an understanding of how leadership principles and best practices impact the ability to manage a successful healthcare organization, project, or strategic imperative.

HIF 734. Quality and Patient Safety Management in Healthcare. (3 h)

This course covers the foundations for understanding and pursuing patient safety and quality of care outcomes within the current healthcare environment. Thoughtful consideration is given on how quality and safety from a global perspective can critically impact expectations within today's healthcare environment.

HIF 751. Telehealth Today and Tomorrow. (3 h)

This course will provide an overview of the tools, techniques, and challenges associated with telehealth from an informatics perspective.

HIF 752. Artificial Intelligence (AI) in Health Informatics. (3 h)

This course will review the foundations of artificial intelligence (AI) with applications to the prevention, detection, diagnosis, and prognosis of diseases.

HIF 799. Capstone in Health Informatics. (3 h)

This course provides students the opportunity to incorporate knowledge, competencies, and skills obtained throughout the health informatics graduate program into a culminating health related capstone project. The project will be based in evidence validating the need for change as well as potential solutions for improvement that centers on quality of care, health disparities, and/or delivery of health services.

Leadership (LDR)

LDR 720. Negotiation and Conflict Management. (3 h)

This course explores the determinants of successful negotiations. A process-oriented approach is used, with an emphasis on the practical application of proven frameworks and theories. Relatedly, the course also delves deeply into the nature and common causes and causes of conflict that can derail projects, providing practical guidance for identifying and addressing the root causes of conflict.

LDR 722. Leadership and Change Management. (3 h)

The work of a leader is to manage change. This course emphasizes gaining the knowledge, skills, and tools necessary to successfully undertake change efforts. It explores the leadership principles, styles, frameworks, and skills required to guide, motivate, and direct teams. In this course, participants will develop the ability to prepare, support, and assist individuals, teams, and organizations in their pursuit of organizational change. Attention is given to stakeholder management and strategic partnering.

LDR 726. Financial Management for Today's Leaders. (3 h)

Leading effectively in today's complex economy requires a confident understanding of the numbers side of the business. This course examines the conceptual and practical issues involved in managing an organization's finances. Their work will become the internal and external messaging for the organization. Students will be introduced to financial and accounting terminology, concepts and tools for decision making. Additional topics may include the financial impact of mergers, acquisitions, and corporate restructuring.

LDR 728. Human Resources Management and Organizational Development. (3 h)

This course will explore how to manage an organization's workforce through the design and implementation of effective human resources policies and procedures. Examples include processes and systems related to performance management, talent management, diversity, and employee wellness. Leadership and change management processes will be explored from a human resource, marketing, and customer-related perspective.

Project Management (PMP)

PMP 710. Project Management Essentials. (3 h)

This course introduces the foundational concepts of project management. The project management life cycle, as defined in the Project Management Body of Knowledge, is introduced, as are several project management knowledge areas such as risk, scope, schedule, quality, monitoring, and communication, among others. Distinctions between project, program, and portfolio management are explored. Achieving literacy in Microsoft Project software is a goal of the course, as well.

PMP 712. Mastering the Project Life Cycle. (3 h)

The course pursues an in-depth exploration of the different phases of a project from Initiation to Closure. Project Setup focuses on the introduction of a robust project organization and qualities of an effective project manager. Project Planning reviews methods for defining project activities and establishing a budget and scheduling projects under certainty (CPM) and uncertainty (PERT). Techniques for identifying and analyzing project-related risks and selecting the right project approach (Waterfall versus Agile/Scrum), are considered. Project Execution focuses on tools for supporting, monitoring and controlling projects, with a focus on successful implementation. Students leave with a set of best practices for effective project management throughout the project management life cycle.

PMP 714. Portfolio and Program Management. (3 h)

This course focuses on managing and coordinating multiple organizational projects. Students will develop the ability to build and manage a project portfolio, including consideration of project alignment, organizational goals, performance maximization, risk minimization, and program success. Particular attention is given to the differentiating aspects of program governance and compliance within organizational, industry, and legal requirements.

PMP 730. Agile Fundamentals. (3 h)

This course introduces the foundational concepts of Agile, which is an iterative approach to project management (PM). Agile is contrasted with other PM methodologies. An introductory consideration of scrum is provided, including Scrum events and artifacts, the anatomy of a sprint, the roles of Scrum Master and Scrum team members, as well as release planning.

PMP 732. Advanced Agile: Frameworks and Techniques. (3 h)

This course builds on the foundation established in the "Agile Fundamentals" course, placing an emphasis on building the practical skills necessary for leading agile projects in organizations. In addition to learning about predominant agile frameworks, the course emphasizes continuous improvement through retrospectives, lean-agile thinking, and the use of agile metrics. P-PMP 730.

PMP 750. Lean Six Sigma. (3 h)

Continuous Improvement Projects (CIP) are typically vital contributors as companies pursue their goals. This course focuses on the essentials of Lean management/thinking and Six Sigma quality as the two dominating and complementary methodologies suited to the pursuit of operational excellence. Participants learn about the basic philosophies and essential tools of these two concepts, with a focus on leveraging various improvement methods and becoming more effective with their project work. The course also discusses how the Lean and Six Sigma approaches can be applied early in the development phase of products and services with basic principles for lean development and design for six sigma. A review is provided of successful Lean Six Sigma project implementations in different industries, with lessons learned and an outlook on remaining challenges in the era of the fourth industrial revolution.

PMP 751. PMP Leadership Preparation. (3 h)

The Project Management Professional (PMP) Leadership Preparation course is designed to prepare project managers to be exceptional project leaders for their organizations. Obtaining leading industry certification is important for many. This course provides the knowledge and skills aligned with the PMI PMP Exam Content Outline (ECO), including universal competencies for all project managers; predictive, agile, or hybrid.

PMP 752. ScrumMaster Leadership Preparation. (3 h)

This course will prepare students for the Professional ScrumMaster certification exam offered by scrum.org. Detailed consideration is given to the Scrum framework and the key attributes of being an effective Scrum Master.

PMP 753. Leading Construction and Engineering Projects. (3 h)

This course will enable students to develop an in-depth knowledge of industry-specific subjects in construction and engineering design, planning, and safety. Students will gain a deep understanding of project estimation, construction ethics, and writing contracts as experienced within the construction and engineering contexts. Salient industry and organizational factors that impact the performance of construction and engineering projects will be emphasized.

PMP 799. Capstone in Project Management. (3 h)

This immersive hands-on course offers students the opportunity to apply the principles, best practices, techniques, and frameworks they have developed throughout their previous coursework to actual project management (PM) context in an organization of their choosing. Assessment of the current PM environment creates the basis for recommendations for furthering the intent of the project(s) under consideration.

Public Administration (PAD)

PAD 710. Public Administration Principles. (3 h)

Learned skills and shared experiences lead to practices that inform and advance your career. Identify and examine management principles and practices for public institutions such as: how public organizations operate and are managed, public personnel management, budgeting and finance, and policy implementation, alongside methods to identify and assess available interventions to further stakeholder well-being in a cross-cultural context.

PAD 712. Financial Management and Budgeting. (3 h)

Leading a team, task force, or organization requires a confident understanding of financial management and budgeting. This course examines financial management associated with public administration including financial statements and reporting, cost analysis, budget approaches and preparation, financial forecast, cash flow management, and financial risk management. The course approaches this material from a leadership perspective, presenting the various parts of financial management and budgeting across agencies or levels (local/state/federal) of government. Because public sector budgeting and financial management reflect concerns of competing stakeholders, the course explores the way public administrators identify and weigh multiple concerns and outcomes in the budgeting process.

PAD 714. Research Methods for Public Administration. (3 h)

Developing and applying new sources of knowledge is crucial to effective leadership and organizational success. This course covers research design, data collection, data analysis, and how to communicate research findings. Qualitative and quantitative research methods, experimental and non-experimental research, survey instrument development and use, case studies, content analysis, and secondary data analysis are covered. Equitable outcomes and the domains of sustainability, climate change, and social responsibility are of increasing importance to public sector leaders and this course will explore sustainability, environmental awareness, and equitable outcomes in research design and methods and will be addressed.

PAD 720. Technology and Public Administration. (3 h)

Technology can inform and enhance policy and its effective use will remain a core competency for future public leaders. Examine the role of emerging technologies in setting and implementing public policy, the role of stakeholders and interest groups, and available tools to apply from a technology and innovation framework. The class will analyze how new technologies improve and impact policy efficacy.

PAD 724. Public Law. (3 h)

Successful policy leaders must navigate the legal and regulatory environment where policies are made and applied. Public law defines the relationship between individuals and government. Explore and examine the structure of public law at the local, state, and federal levels alongside the historical context and legal framework governing the relationships between individuals, organizations, and government.

PAD 730. Data Analytics and Public Administration. (3 h)

A leader must effectively analyze and explain complex data to stakeholders in clear, understandable language. Learn to analyze and interpret data to tell a clear and compelling “story”, manage the projects and programs, then implement policy. Topics covered will include data management, data visualization, statistical analysis, and machine learning. In addition, new tech-enabled methods of collecting and understanding data will be explored as they relate to policy administration.

PAD 732. Equity and Public Policy. (3 h)

Public administrators must develop and execute policies that result in increasingly equitable outcomes. This course uses a multidisciplinary approach to examine the intersection of equity and public policy. The course uses a multidisciplinary approach to examine equity and public policy. Explore the intersection between social equity and the formulation and implementation of public policies and the ways public policy can impact social inequalities and promote a more equitable society.

PAD 750. Housing and Development. (3 h)

Many leaders in the public sector lead initiatives focused on the built environment, including housing, commercial, industrial, and shared public spaces. This course examines public-private partnerships for housing and community development. Topics include affordable housing development strategies, commercial reuse and revitalization initiatives, and neighborhood development. Global forces shape local decisions. As such, global issues related to trade, business competition, and migration will be explored.

PAD 751. Sustainability and Environmental Systems. (3 h)

Institutions at all levels, local, state, federal, and international, are facing growing changes related to how human activities impact natural and environmental systems. Public administration leaders need skills and insights to effectively lead institutions as they respond. This course examines sustainable systems and environmental sciences to understand the conflicting objectives that are often part of public administration. Examine environmental justice and the administrative forces that place environmental burdens on some groups and not others, at the local/state/federal levels.

PAD 799. Capstone in Public Administration. (3 h)

Integrating and applying learned skills and experiences leads to a deeper understanding and habits of practice that inform a career. The capstone project applies the knowledge and skills gained through the program to a real-world challenge in the field of public administration. The specific project will vary depending on student interest and goals and may include such things as evaluating the effectiveness of a public policy; preparing a strategic plan for an organization in the public sector; leading a comparative analysis of public administration systems in different countries, designing a public engagement strategy for a public sector organization; and/or analyzing an emerging issue relevant to the field.
