

# CHEMISTRY, MINOR

---

## Requirements

Requires at least 19 hours in chemistry and must include at least one of:

Code	Title	Hours
CHM 321	Intermediate Organic Chemistry	3
CHM 324	Medicinal Chemistry I	3
CHM 334	Chemical Analysis	4
CHM 341	Physical Chemistry I	3
CHM 342	Physical Chemistry II	3
CHM 351	Special Topics in Chemistry	3
CHM 361	Inorganic Chemistry	3
CHM 362	Nanochemistry in Energy and Medicine	3
CHM 364	Materials Chemistry	3
CHM 366	Chemistry and Physics of Solid State Materials	3
CHM 370	Biochemistry I: Macromolecules and Metabolism	3
CHM 373	Biochemistry II	3
CHM 376	Biophysical Chemistry	3

No more than nine hours of chemistry courses completed elsewhere can be counted toward the minor, and a minimum grade point average of 2.0 in Wake Forest chemistry courses is required to complete the minor.
