Students declaring a concentration must do so prior to the beginning of their final semester. Concentrations are offered in the following specializations:

1. Cultural/Intellectual History
2. Economics, Trade, and Commerce
3. Gender/Sexuality/LGBTQ
4. Global/Transnational History
5. International Relations and Military
6. Jewish History
7. Politics, Governance, and Law

9. Science, Medicine & Technology
10. Social History
11. Individualized Concentration

To complete a concentration, students must select courses in consultation with their major or minor adviser, submit an application to the department, and earn a 'C' in each course. Students who complete the requirements for a concentration will be awarded a certificate by the department and have the concentration included on their college transcript.
