

PHYSICS, MINOR

Requirements

Requires 17 hours in Physics, which must include:

Code	Title	Hours
PHY 111	Mechanics Waves and Heat	4
or PHY 113	General Physics I	
or PHY 123	General Physics I - Studio Format	
PHY 114	General Physics II	4
or PHY 124	General Physics II - Studio Format	
PHY 215	Elementary Modern Physics	3
PHY 262	Mechanics	3
Pre- or Co-requisite Courses:		
MST 113	Multivariable Calculus	4
MST 205	Introduction to Linear Algebra and Differential Equations	4
or MST 251	Ordinary Differential Equations	

Students may substitute CHM 341 for PHY 341 toward the required hours in physics.

MST 251 can substitute for MST 205 for the MST requirement for the minor, but not for specific course pre- or co-requirements, unless already specified in the course description.

Students interested in the minor should contact the faculty member responsible for advising physics majors. (Inquire in Olin Physical Laboratory, Room 100.)
