

CERTIFICATE IN ACTUARIAL SCIENCE

Code	Title	Hours
ACC 111	Introductory Financial Accounting	3
ECN 150	Introduction to Economics	3
ECN 205	Intermediate Microeconomics	3
or ECN 210	Intermediate Mathematical Microeconomics	
ECN 207	Intermediate Macroeconomics	3
or ECN 211	Intermediate Mathematical Macroeconomics	
FIN 231	Principles of Finance	3
STA 310	Probability	3
STA 311	Statistical Inference	3

To declare the certificate in actuarial science, a student must receive at least a C or AP credit in each of ACC 111, ECN 150, and MTH 112. Upon declaration, students will gain access to the pre-registration procedures in the relevant departments and in the School of Business.

Students are strongly encouraged to take Society of Actuaries (SOA) Exam P shortly after completing STA 310, and SOA Exam FM shortly after completing FIN 231. For more information on these exams, consult the SOA. Students are also strongly encouraged to seek an actuarial internship in the summer after their junior year.

Students can apply for Validation by Education Experience (VEE) credit with the SOA after passing at least two actuarial exams.
