

# MSA PROGRAM ADMISSION

---

Admission to the MSA program requires undergraduate business school students who have completed ACC 211 to submit an application to the MSA program during their third year of study. The required application components include the online application and an unofficial transcript.

Students who are currently enrolled in the School of Business's undergraduate accounting or finance programs are automatically accepted into the MSA program provided they maintain a 3.0 GPA in their major and earn no less than a C+ in the following accounting courses: ACC 111, ACC 211, ACC 212, ACC 221 and ACC 237. All application components are due by December 1 (of the third year of study).

Additional information may be found [here](#).
