

REQUIREMENTS FOR CONTINUATION

In addition to the requirements outlined in the Procedures section (<https://bulletin.wfu.edu/undergraduate/procedures/>) of this bulletin, a student must be academically responsible and must show satisfactory progress toward completing the requirements for the degree. The administration of the Wake Forest School of Business notifies the student if satisfactory progress is not being made and, after consultation with the Committee on Admission, Continuation, and Scholarships, decides if the student may continue as a major in the School of Business.
